

Primary Election Ballot Choices

There are three ballot types – you may vote ONE

Your party affiliation listed on the precinct register will determine the ballot type you are eligible to vote.

Ballot Type	Candidates on Ballot	Who Can Vote This Ballot
Alaskan Independence Democrat and Libertarian Candidate and Ballot Measures	Alaskan Independence Democrat Libertarian	Any registered voter Party affiliation listed on register is: (A – D – G – L – M – R – N – U – V)
Republican Candidate and Ballot Measures	Republican	Voters registered as: Republican, Undeclared and Nonpartisan Party affiliation listed on register is: (R – U – N)
Measures Only	No Candidates This ballot contains ballot measures only.	Any registered voter

If you request a primary ballot type that you are not eligible to vote, you must vote a questioned ballot.

If you would like to vote for just the ballot measures and not vote for any candidates, you may request the measures only ballot.
