July 17, 2006

Dear Media Representative:

I am pleased to provide you with the Division of Elections' 2006 Primary Election Media Packet and hope you find it helpful as you cover the upcoming election.

This packet includes information on how to contact the Division's offices statewide, Alaska's voting districts, Primary ballot choices and races, important election dates, election recounts, registered voters by affiliation, voter turnout statistics, ballot counting methods, reading election results and absentee and early voting locations.

Additionally, this packet includes information on some new and exciting things that voters will see this year. In addition to the voting system currently in place, new touch screen voting units will be introduced in every polling place in the State to assist those with disabilities in casting an independent, private and verifiable ballot. Also included is information on how candidate names will rotate on the ballot. Ballot measures will also appear on the Primary ballot this year. We've incorporated detailed ballot measure information in this Packet for your review.

The Division has made every effort to include information that will be useful to you in your coverage of the election, however we know that you will likely have additional questions or need further details. All of us at the Division of Elections look forward to working with you as you cover the 2006 Primary Election. You have a critical role as we together inform voters about election issues and encourage people to vote. Please do not hesitate to contact us if you have questions about the upcoming election.

Sincerely,

A handwritten signature in blue ink that reads "Whitney H. Brewster".

## Understanding Ballot Rotation for 2006

For the 2006 Primary Election, the following races will be up for election: U.S. Representative, Governor, Lt. Governor, 10 State Senate Districts and 40 State House Districts. All ballot rotation will take place by State House District.

Candidates for the U.S. Representative, Governor and Lt. Governor races will be placed on the first ballot (House District 1) in alphabetical order. Then, beginning with the House District 2 ballot, candidates will rotate by the top candidate moving to the bottom of the race and all other candidates moving up one position. This rotation will continue through all 40 State House District ballots.

Each State Senate District is comprised of two State House Districts. For the 10 State Senate races, there will be a random draw of the letters of the alphabet to determine the order of how the candidates will be placed on the first State House District ballot. For the second State House District, in which the State Senate District appears, the candidates will rotate by the top candidate moving to the bottom of the race and all other candidates moving up one position.

For the 40 State House District races, there will be a random draw of the letter of the alphabet to determine the order of how the candidates will be placed on the State House District ballot.

There will be one random draw of the letters of the alphabet for both the State Senate and State House District races.

## BALLOT MEASURE 1

---

### BALLOT LANGUAGE

This initiative would decrease the maximum amount an individual may give a candidate or group from \$1,000 to \$500, and decrease the amount an individual may give a political party for any purpose from \$10,000 to \$5,000. It would decrease the amount a group may give a candidate, or group, from \$2,000 to \$1,000. It would decrease the amount a group may give to a political party from \$4,000 to \$1,000. It would require groups to disclose the name, address, occupation, employer, date and amount given by each contributor for contributions more than \$100 during a calendar year. It would reduce from 40 to 10 the hours a person who is not a professional lobbyist could lobby in any 30-day period before having to register as a lobbyist. It would require legislators, public members of the select committee on legislative ethics, and legislative directors to disclose outside income sources greater than \$1,000.

Should this initiative become law?

### LEGISLATIVE AFFAIRS AGENCY SUMMARY

This bill lowers the limit on campaign contributions. Under this bill, a person could give \$500 a year to a candidate's campaign. That's half of what is allowed now. Personal gifts to political parties would be capped at \$5,000. A gift by a group would be limited to \$1,000 a year. Groups would have to report more about donors. For gifts over \$100 to a group, the group would have to report the true source of the gift. The group would also have to report the donor's job and the donor's employer. The bill changes the meaning of "lobbyist." This would make someone who lobbies 10 hours a month report. Now it's 40 hours. It reduces the amount of pay a legislator can receive for personal services without reporting the income. This also applies to certain legislative employees, and members of the legislative ethics committee.

### Statement of Costs and Revenues for

### Ballot Measure 1 - Initiative 03DISC – Prepared by the Alaska Public Offices Commission (APOC)

As required by AS 15.58.020(b), the Alaska Public Offices Commission has determined that there would not be significant costs to APOC for implementing the law proposed in Ballot Measure 1 - Initiative 03DISC.

## FULL TEXT OF PROPOSED LAW

### AN ACT RELATING TO CONTRIBUTION LIMITS, LOBBYISTS, AND DISCLOSURE

#### Be it enacted by the people of the State of Alaska:

Section 1. AS 15.13.070(b) is amended to read:

(b) an individual may contribute not more than

(1) \$500 per year to a nongroup entity for the purpose of influencing the nomination or election of a candidate, to a candidate, to an individual who conducts a write-in campaign as a candidate, or to a group that is not a political party;

(2) \$5,000 per year to a political party.

**Section 2.** AS 15.13.070(c) is amended to read:

(c) A group that is not a political party may contribute not more than \$1,000 per year

(1) to a candidate, or to an individual who conducts a write-in campaign as a candidate;

(2) to another group, to a non-group entity, or to a political party.

**Section 3.** AS 15.13.040(b) is amended to read:

(b) Each group shall make a full report upon a form prescribed by the commission, listing

(1) the name and address of each officer and director;

(2) the aggregate amount of all contributions made to it; and, for all contributions in excess of \$100 in the aggregate a year, the name, address, principal occupation, and employer of the contributor, and the date and amount contributed by each contributor; for purposes of this paragraph, "contributor" means the true source of the funds, property, or services being contributed; and

(3) the date and amount of all contributions made by it and all expenditures made, incurred or authorized by it.

**Section 4.** AS 24.45.171(8) is amended to read:

(8) "lobbyist" means a person who

(A) is employed and receives payments, or who contracts for economic consideration, including reimbursement for reasonable travel and living expenses, to communicate directly or through the person's agents with any public official for the purpose of influencing legislation or administrative action for more than 10 hours in any 30-day period in one calendar year; or

(B) represents oneself as engaging in the influencing of legislative or administrative action as a business, occupation or profession.

**Section 5.** AS 24.60.200 is amended to read:

**Sec. 24.60.200. Financial disclosure by legislators, public members of the committee, and legislative directors.** A legislator, a public member of the committee, and a legislative director shall file a disclosure statement, under oath and on penalty of perjury, with the Alaska Public Offices Commission giving the following information about the income received by the discloser, the discloser's spouse or domestic partner, the discloser's dependent children, and the discloser's nondependent children who are living with the discloser:

(1) the information that a public official is required to report under AS 39.50.030, other than information about gifts;

(2) as to income in excess of \$1,000 received as compensation for personal services, the name and address of the source of the income, and a statement describing the nature of the services

performed; if the source of income is known or reasonably should be known to have a substantial interest in legislative, administrative, or political action and the recipient of the income is a legislator or legislative director, the amount of income received from the source shall be disclosed;

(3) as to each loan or loan guarantee over \$1,000 from a source with a substantial interest in legislative, administrative, or political action, the name and address of the person making the loan or guarantee, the amount of the loan, the terms and conditions under which the loan or guarantee was given, the amount outstanding at the time of filing, and whether or not a written loan agreement exists.

**Section 6. Effective Date.** This Act takes effect January 1, 2005.

## **STATEMENT IN SUPPORT**

### **THE “TAKE OUR STATE BACK” INITIATIVE**

Corruption is not limited to one party or individual. Ethics should be not only bi-partisan but also universal. From the Abramoff and Jefferson scandals in Washington D.C. to side deals in Juneau, special interests are becoming bolder every day. They used to try to buy elections. Now they are trying to buy the legislators themselves.

Alaskans deserve to know who is paying our legislators and funding their campaigns. In 2004 the Legislature wrote its own rules to govern its conduct and it reduced or eliminated any real restrictions or disclosure requirements.

Measure 1 ensures that you know who is paying your legislator and who is lobbying them. It limits the amount of special interest influence in legislative campaigns and closes the soft money loophole.

Vote “Yes” on Measure 1.

Measure 1 takes our State back in four specific ways.

#### **1. REQUIRES LEGISLATORS TO DISCLOSE WHO IS PAYING THEM.**

Under the rules the Legislature wrote for themselves, a legislator can earn thousands of dollars on the side from special interests with no disclosure. We deserve to know who is paying our legislators and why. Measure 1 requires that a legislator disclose any income over \$1,000. Period.

#### **2. REQUIRES LOBBYISTS TO REGISTER.**

The Legislature rewrote the law so that only a few lobbyists are now required to register. This is a major loophole. Without this registration, there is no disclosure of who is paying lobbyists to influence our legislature. Measure 1 requires any lobbyist who works over ten hours per month to register and to disclose who is paying for the lobbying.

#### **3. LIMITS CAMPAIGN CONTRIBUTIONS TO \$500.**

Most Alaskans don't write huge checks to political campaigns. The more special interests can contribute, the more influence they have over our politicians. Measure 1 limits contributions to \$500 from an individual and to \$1,000 from a group.

#### **4 CLOSING THE SOFT MONEY LOOPHOLE.**

The Legislature created another major loophole. It allows unlimited donations to political parties. No limit at all. Measure 1 places a \$5,000 limit on these donations. On the national level, Sen. John McCain and Sen. Russ Feingold have been champions of limiting soft money. We have the chance to take the first step here in Alaska to limit soft money by passing Measure 1.

## **STATEMENT IN OPPOSITION**

This initiative diminishes citizen rights and participation while increasing incumbent power.

Our individual right of free speech is radically reduced in Section 1. Our maximum contribution to a candidate or party is cut in half. Challengers can raise less money, thwarting your ability to change elected public officials. This initiative empowers incumbents and the wealthy self-funded candidate.

Our right of free speech to influence elections is further eroded in Section 2. The maximum contribution a group may make to a candidate is reduced by half.

Contribution transparency in the Alaskan campaign disclosure law is destroyed in Section 3. The initiative is a step backward. The change eliminates the disclosure of some donor names and addresses. What do the sponsors, who are all legislators, plan to hide from citizen view?

Section 4 changes the lobbyist definition by chopping a citizen's time to communicate with public officials from 40 to 10 hours per month. More employees of small businesses must register as lobbyists. Eleven hours work in a single month demands filing 16 reports in a two year period. Instead of accepting this ridiculous new burden that discloses their client list to their competitors, most businesses will abandon citizen representation and hire a professional lobbyist. Furthermore, these 'new' lobbyists are prohibited from contributing to any candidate outside of their own legislative district. That is a terrible blow to all citizen's rights. The incumbents, including the initiative sponsors, are protected from well-funded challengers.

The change of income disclosure limits increases the reporting burden materially. While inflation over the decades has effectively reduced this limit, this change from \$5000 to \$1000 simply increases the paper process without meaningful information.

## BALLOT MEASURE 2

---

### BALLOT LANGUAGE

This initiative would impose a \$46 per person per voyage tax on large cruise ships to pay for vessel services. It would provide for the proceeds from the tax to be deposited in the state general fund and, subject to appropriation by the legislature, distributed to municipalities. It would levy a tax on cruise ship gambling activities in state waters. It would change the way cruise ship corporate income tax is calculated. It would require cruise ship operators to gather and report more information, and get a new type of permit for sewage, graywater or other wastewater before discharging in state marine waters. It would assess a \$4 per passenger berth fee and require large cruise ships to have state-employed marine engineers (Ocean Rangers) licensed by the Coast Guard to observe health, safety and wastewater treatment and discharge operations. It would authorize citizen lawsuits against an owner or operator of a large cruise ship, or against the Department of Environmental Conservation, for an alleged violation of any permit condition, provision of environmental statutes or performance of duties. It would also enable a person who provides information leading to enforcement of the law to receive 25 to 50 percent of fines imposed. It would impose additional requirements on disclosures about on-ship promotions of shore-side businesses.

Should this initiative become law?

### LEGISLATIVE AFFAIRS AGENCY SUMMARY

Part of this bill is about cruise ship taxes. It imposes a \$46 a person tax on cruise ship passengers. That money goes into a special account in the state's general fund. The legislature may appropriate part of that money to the vessel's ports of call. But, towns that receive that money cannot impose local cruise ship head taxes. The bill also taxes gambling on cruise ships. The tax is 33 percent of the cruise ship's adjusted gross income from the gambling. The bill changes the state's corporate income tax law so it could be applied to cruise ships.

The bill also changes environmental laws that apply to cruise ships. It requires wastewater discharge permits for cruise ships. It sets minimum standards and conditions for use of those permits. It prohibits wastewater discharges without a permit. It changes the monitoring and record keeping requirements for wastewater discharges. It establishes a new ocean ranger program. A ranger is a marine engineer. It requires each cruise ship to have a ranger on board. The ranger is an independent observer. The ranger monitors compliance with pollution laws. The bill imposes a four-dollar fee per berth for operating the ranger program. It gives private citizens the right to sue for discharge violations. It also establishes financial penalties for violations of environmental laws.

Finally, the bill regulates sales on cruise ships. Persons paid to mention or promote a business in a state port must say they are paid. Written materials must also say that the person is paid. Persons selling tours and other shore-side activities on board a cruise ship must disclose how much they are paid for each sale. A seller must give the address and phone number of the shore-side business if asked. It makes violation of these laws an unfair trade practice.

**Statement of Costs and Revenues for  
Ballot Measure 2 - Initiative 03CTAX – Prepared by the Alaska Department of Revenue**

As required by AS 15.58.020(b), the Alaska Department of Revenue has prepared the following statement of costs to the Department of implementing the law proposed in Ballot Measure 2 - Initiative 03CTAX.

**COSTS**

In order to administer the tax collection process required by this initiative, the Department of Revenue would require six new positions, at an estimated cost of \$626,000 per year for staff and associated costs.

**REVENUES**

This initiative would impose an excise tax of \$46 per passenger per voyage on travel on commercial passenger vessels with 250 or more berths, and a “Ranger fee” of \$4 per passenger berth.

We assume that 2007 cruise ship activity will be similar to the scheduled 2006 cruise ship activity. We cannot predict whether the excise tax might impact the number of passengers.

Assuming the ships sail at 100 percent capacity, we estimate the \$46 per passenger excise tax would be applied to approximately 900,000 passengers in the 2007 season, resulting in revenue of approximately \$41 million. About \$14 million of that revenue would be shared with municipalities at which the cruise ships stopped. Twenty-five percent of the total, or approximately \$10 million, would be placed in a “Regional Cruise Ship Impact Fund,” to be distributed to other affected municipalities. The \$4 per berth Ranger fee would bring in approximately \$3.6 million.

Net revenues to the state, after deducting costs for the Departments of Revenue and Environmental Conservation, and deducting the \$24 million in shared revenues cited above, would be approximately \$14.4 million.

This initiative would impose a tax of 33 percent of the adjusted gross income from operation of gaming or gambling activities on ships operating in Alaskan waters.

The Department has no data on the extent or profitability of cruise ship gaming in Alaskan waters, and therefore cannot calculate revenues from the proposed gaming tax.

This initiative would also change the way the corporate income tax is calculated for the cruise ship industry. The Department does not have adequate data to estimate the effects of this change on corporate income tax revenue.

**Statement of Costs for  
Ballot Measure 2 - INITIATIVE 03CTAX- Prepared by the Alaska Department of  
Environmental Conservation**

As required by AS 15.58.020(b), the Alaska Department of Environmental Conservation ("DEC") has prepared the following statement of costs to the Department of implementing the law proposed in Ballot Measure 2 Initiative - 03CTAX.

The initiative would require DEC to develop and maintain a new permit program for Large Commercial Passenger Vessels ("cruise ships") to replace the current program for regulating these vessels. It would also require DEC to place marine engineers ("Ocean Rangers") licensed by the Coast Guard on the cruise ships to monitor compliance with State and Federal environmental laws. Two marine engineers working alternating twelve-hour shifts would be placed on each cruise ship operating in Alaska waters.

The cost to the state during the first full year of the implementation of this initiative is estimated to be approximately \$5.6 million.

## FULL TEXT OF THE PROPOSED LAW

### FOR AN ACT PROVIDING FOR TAXATION OF CERTAIN COMMERCIAL SHIP VESSELS, PERTAINING TO CERTAIN VESSEL ACTIVITIES and RELATED TO SHIP VESSEL OPERATIONS TAKING PLACE IN THE MARINE WATERS OF THE STATE OF ALASKA

Be it enacted by the People of the State of Alaska:

\* **Section 1.** AS 43 is amended by adding a new chapter to read:

#### **Chapter 52. Excise Tax on Travel Aboard Commercial Passenger Vessels.**

**Sec. 43.52.010. Levy of excise tax on overnight accommodations on commercial passenger vessels.** There is imposed an excise tax on travel on commercial passenger vessels providing overnight accommodations in the state's marine water.

**Sec. 43.52.020. Rate of tax.** The tax imposed by AS 43.52.010 - 43.52.095 is levied at a rate of \$46 a passenger per voyage.

**Sec. 43.52.030. Liability for payment of tax.** A passenger traveling on a commercial passenger vessel providing overnight accommodations in state marine water is liable for the tax imposed by AS 43.52.010 -- 43.52.095. The tax shall be collected and is due and payable to the department

(1) by the person who provides travel aboard a commercial vessel for which the tax is payable; and

(2) in the manner and at the times required by the department by regulation.

#### **Sec. 43.52.040. Disposition of receipts.**

(a) The proceeds from the tax on travel on commercial passenger vessels providing overnight accommodations in the state's marine water shall be deposited in a special "Commercial Vessel Passenger Tax Account" in the general fund. The legislature may appropriate money from this account for the purposes described in (b) and (c) of this section, for state-owned port and harbor facilities, other services to properly provide for vessel or watercraft visits, to enhance the safety and efficiency of interstate and foreign commerce and such other lawful purposes as determined by the legislature.

(b) For each voyage of a commercial passenger vessel providing overnight accommodations, the commissioner shall identify the first five ports of call in the state and the number of passengers on board the vessel at each port of call. Subject to appropriation by the legislature, the commissioner shall distribute to each port of call \$5 per passenger of the tax revenue collected from the tax levied under this chapter. If the port of call is a city located within a borough not otherwise unified with the borough, the commissioner shall, subject to appropriation by the legislature, distribute \$2.50 per passenger to the city and \$2.50 to the borough. Each port of call receiving funds under this section shall use the funds in a manner calculated to improve port and harbor facilities and other services to properly provide for vessel or water craft visits and to enhance the safety and efficiency of interstate and foreign commerce.

(c) A "Regional Cruise Ship Impact Fund" consisting of 25% of the proceeds from the tax on travel aboard commercial passenger vessels providing overnight accommodations in the state's marine water shall be established as sub-account of the funds established in (a), above, and deposited in

the general fund. Subject to appropriation by the legislature and regulations adopted by the Department of Revenue, the commissioner shall distribute funds to municipalities or other governmental entities within the Prince William Sound Region, Southeast Alaska or any other distinctive region impacted by cruise ship related tourism activities but not entitled to receive funds based on port of call visitation as allowed by (b), above, provided that any funds used from this account shall be used to provide services and infrastructure directly related to passenger vessel or water craft visits or to enhance the safety and efficiency of interstate and foreign commerce related to vessel or water craft activities.

**Sec. 43.52.050. Administration.**

(a) The department shall

(1) administer this chapter; and

(2) collect, supervise, and enforce the collection of taxes due under this chapter and penalties as provided in AS 43.05.

(b) The department may adopt regulations necessary for the administration of this chapter.

**Sec. 43.52.060. Local levies.** Any municipality, whether home rule or general law, that receives passenger ship fee funds under this chapter may not impose an additional form of tax on travel on commercial passenger vessels engaged in activities involving overnight accommodations for passengers in state marine waters. Any form of tax on travel on commercial passenger vessels engaged in activities involving overnight accommodations for passengers in state marine waters enacted by a municipality, whether home rule or general law, prior to the effective date of this legislation shall expire one year after enactment of this law if that municipality elects to receive funds under this chapter.

**Sec. 43.52.095. Definitions.** In this chapter, (1) "commercial passenger vessel" means a boat or vessel that is used in the common carriage of passengers in commerce; "commercial passenger vessel" does not include

(A) vessels with fewer than 250 berths or other overnight accommodations for passengers;

(B) noncommercial vessels, warships, and vessels operated by the state, the United States, or a foreign government;

(2) "marine water of the state" and "state marine water" have the meaning given to "waters" in AS 46.03.900, except that they include only marine waters.

(3) "passenger" means a person whom a common carrier has contracted to carry from one place to another.

(4) "voyage" means any trip or itinerary lasting more than 72 hours.

\* **Sec. 2.** AS 05, is amended by adding a new chapter to read:

**Chapter 16. Games of Chance and Contests of Skill on Ships Operating on Waters Within the Jurisdiction of Alaska.**

**Sec. AS 05.16.010. Gambling activities aboard commercial vessels purportedly authorized by federal law.** This chapter applies to the use of playing cards, dice, roulette wheels, coin-

operated instruments or machines, or other objects or instruments used, designed, or intended for gaming or gambling used in the waters under the jurisdiction of the State of Alaska on a voyage described in 15 U.S.C. Section 1175(c)(2), and to any other gambling activities taking place aboard large passenger vessels in the state.

**Sec. AS 05.16.020. Tax on gambling activities authorized by AS 05.16.010.** There is imposed on the operator of a gaming or gambling activities aboard large passenger vessels in the state a tax of 33% of the adjusted gross income from those activities. "Adjusted gross income" means gross income less prizes awarded and federal and municipal taxes paid or owed on the income. The tax shall be collected and is due and payable to the department of revenue in the manner and at the times required by the department of revenue.

**Sec. 05.16.030. Disposition of receipts.** (a) The proceeds from the tax on gambling operations aboard commercial passenger vessels in the state's marine water shall be deposited in a special "Commercial Vessel Passenger Tax Account" in the general fund.

\* **Sec. 3.** AS 43.20.021 is repealed and reenacted as follows:

**Sec. 43.20.021(a). Internal Revenue Code adopted by reference.**

(a) Sections 26 U.S.C. - 1399 and 6001 - 7872 (Internal Revenue Code), as amended, are adopted by reference as a part of this chapter. These portions of the Internal Revenue Code have full force and effect under this chapter unless excepted to or modified by other provisions of this chapter.

(b) Nothing in this chapter or in AS 43.19 (Multistate Tax Compact) may be construed as an exception to or modification of 26 U.S.C. 883.

(c) The provision in (b), above, does not apply to commercial passenger vessels as defined in AS 43.52.095.

\* **Sec 4.** AS 46.03.462 is repealed and re-enacted as follows:

**Sec. 46.03.462. Terms and conditions of discharge permits.** (a) An owner or operator may not discharge any treated sewage, graywater, or other wastewater from a large commercial passenger vessel into the marine waters of the state unless the owner or operator obtains a permit under AS 46.03.100, which shall comply with the terms and conditions of vessel discharge requirements specified in (b) of this section.

(b) The minimum standard terms and conditions for all discharge permits authorized under this provision require that the owner or operator:

(1) may not discharge untreated sewage, treated sewage, graywater, or other wastewaters in a manner that violates any applicable effluent limits or standards under state or federal law, including Alaska Water Quality Standards governing pollution at the point of discharge;

(2) shall maintain records and provide the reports required under AS 46.03.465(a);

(3) shall collect and test samples as required under AS 46.03.465(b) and (d) and provide the reports with respect those samples required by AS 46.03.475(c);

(4) shall report discharges in accordance with AS 46.03.475(a);

(5) shall allow the department access to the vessel at the time samples are taken under AS 46.03.465 for purposes of taking the samples or for purposes of verifying the integrity of the sampling process; and

(6) shall submit records, notices, and reports to the department in accordance with AS 46.03.475(b), (d), and (e).

\* **Sec. 5.** AS 46.03.463 is amended to read as follows:

**Sec. 46.03.463(d)** is repealed.

**Sec. 46.03.463(e)** is repealed and reenacted to read: An owner or operator may not discharge any treated sewage, graywater, or other wastewater from a large commercial passenger vessel into the marine waters of the state unless the owner or operator obtains a permit under AS 46.03.100 and AS 46.03.462, and provided that the vessel is not in an area where the discharge of treated sewage, graywater or other wastewaters is otherwise prohibited.

**Sec. 46.03.463(g)** is repealed.

\* **Sec 6. AS 46.03.465** repealed and reenacted to read as follows:

**Sec. 46.03.465. Information-gathering requirements.** (a) The owner or operator of a commercial passenger vessel shall maintain daily records related to the period of operation while in the State, detailing the dates, times, and locations, and the volumes and flow rates of any discharges of sewage, graywater, or other waster into the marine waters of the State, provide electronic copies of such records on a monthly basis to the department no later than 5 days after each calendar month of operation in State waters.

(b) while a commercial passenger vessel is present in the marine waters of the State, the owner or operator of the vessel shall provide an hourly report of the vessel's location based on Global Positioning System technology and collect routine samples of the vessel's treated sewage, graywater, and other wastewaters being discharged into marine waters of the State with a sampling technique approved by the department.

(c) while a commercial passenger vessel is present in the marine waters of the State, the Department, or an independent contractor retained by the Department, may collect additional samples of the vessel's treated sewage, graywater, and other wastewaters being discharged into the marine waters of the State.

(d) the owner or operator of a vessel required to collect samples under (b) of this section shall ensure that all sampling techniques and frequency of sampling events are approved by the department in a manner sufficient to ensure demonstration of compliance with all discharge requirements under AS 46.03.462.

(e) the owner or operator of a commercial passenger vessel shall pay for all reporting, sampling and testing of samples under this section.

(f) if the owner or operator of a commercial passenger vessel has, when complying with another state or federal law that requires substantially equivalent information required under (a), (b), or (d) of this section, the owner or operator shall be considered to be in compliance with that subsection so long as the information is also provided to the department.

\* **Sec. 7.** AS 46.03 is amended to include new provisions as follows:

**Sec. 46.03.476. Ocean Rangers.** (a) An owner or operator of a large commercial passenger vessel entering the marine waters of the state is required to have a marine engineer licensed by the United States Coast Guard hired or retained by the department on board the vessel to act as an independent observer for the purpose of monitoring state and federal requirements pertaining to marine discharge and pollution requirements and to insure that passengers, crew and residents at ports are protected from improper sanitation, health and safety practices.

(b) The licensed marine engineer shall monitor, observe and record data and information related to the engineering, sanitation and health related operations of the vessel, including but not limited to registration, reporting, record keeping and discharge functions required by state and federal law.

(c) Any information recorded or gathered by the licensed marine engineer shall be promptly conveyed to the Alaska Department of Environmental Conservation and the United State Coast Guard on a form or in a manner approved by the Commissioner of Environmental Conservation. The Commissioner may share information gathered with other state and federal agencies.

**46.03.481. Citizens suits.** (a) Any citizen of the State of Alaska may commence a civil action

(1) against an owner or operator of a large passenger vessel alleged to have violated any provision of this chapter, or

(2) against the department where there is an alleged failure to perform any act or duty under this chapter which is not discretionary. No civil action may be commenced under this section, however, prior to 45 days after the plaintiff has provided written notice of the intent to sue to the Attorney General of Alaska.

(b) Subject to appropriation, as necessary, up to 50% and not less than 25% of any fines, penalties or other funds recovered as a result of enforcement of this chapter shall be paid to the person or entity, other than the defendant, providing information sufficient to commence an investigation and enforcement of this chapter under this provision.

\* **Sec. 8.** AS 46.03.480 is amended as follows:

**Sec. 46.03.480** is amended by adding a new section to read:

(d) An additional fee in the amount of \$4.00 per berth, is imposed on all large commercial passenger vessels, other than vessels operated by the state, for the purpose of operating the Ocean Ranger program established in AS 46.03.476; said program shall be subject to legislative appropriation.

**Sec. 46.03.480(d)** shall be repealed and reenacted as 46.03.480(e).

\* **Sec. 9.** AS 46.03.760 is amended as follows:

**Sec. AS 46.03.760** is amended by adding a new section to read:

(f) An owner, agent, employee or operator of a commercial passenger vessels as defined in AS 43.52.095 who falsifies a registration or report required by AS 46.03.460 or 46.03.475 or who

violates or causes or permits to be violated a provision of AS 46.03.250 - 46.03.314, 46.03.460 - 46.03.490, AS 46.14, or a regulation, a lawful order of the department, or a permit, approval, or acceptance, or term or condition of a permit, approval, or acceptance issued under AS 46.03.250 - 46.03.314, 46.03.460 - 46.03.490, or AS 46.14 is liable, in a civil action, to the state for a sum to be assessed by the court of not less than \$5000 nor more than \$100,000 for the initial violation, nor more than \$10,000 for each day after that on which the violation continues, and that shall reflect, when applicable,

(1) reasonable compensation in the nature of liquidated damages for any adverse environmental effects caused by the violation, that shall be determined by the court according to the toxicity, degradability and dispersal characteristics of the substance discharged, the sensitivity of the receiving environment, and the degree to which the discharge degrades existing environmental quality; for a violation relating to AS 46.14, the court, in making its determination under this paragraph, shall also consider the degree to which the discharge causes harm to persons or property; this paragraph may not be construed to limit the right of parties other than the state to recover for personal injuries or damage to their property;

(2) reasonable costs incurred by the state in detection, investigation, and attempted correction of the violation;

(3) the economic savings realized by the person in not complying with the requirement for which a violation is charged; and

(4) the need for an enhanced civil penalty to deter future noncompliance.

**Sec. 46.03.760(f)** shall be repealed and reenacted as 46.03.760(g).

\* **Sec. 10.** AS 45.50.474 is repealed and reenacted to read as follows:

**Sec. 45.50.474. Required disclosures in promotions and shore side sales on board cruise ships.** (a) A person may not conduct a promotion on board a cruise ship that mentions or features a business in a state port that has paid something of value for the purpose of having the business mentioned, featured or otherwise promoted, unless the person conducting the promotion clearly and fully discloses orally and in all written materials used in the promotion that the featured businesses have paid to be included in the promotion. All such written notice of disclosure shall be in a type not less than 14-point typeface and in a contrasting color calculated to draw attention to the disclosure.

(b) A person or other entity aboard a cruise ship conducting or making a sale of tours, flightseeing operations or other shore-side activities to be delivered by a vendor or other entity at a future port of call shall disclose, both orally and in writing,

the amount of commission or percentage of the total sale retained or returned to the person making the sale. The person or entity aboard a cruise ship making or attempting to make a sale of services or goods provided by a shore-side vendor shall disclose the address and telephone number of the shore side vendor if asked by a consumer. All such written notice of disclosure shall be in a type not less than 14-point typeface and in a contrasting color calculated to draw attention to the disclosure.

(c) Each violation of this section constitutes an unfair trade practice under AS 45.50.471, and shall result in a penalty of not more than \$100

for each violation. In this section, "cruise ship" means a ship that operates at least 48 hours in length for ticketed passengers, provides overnight accommodations and meals for at least 250 passengers, is operated by an authorized cruise ship operator, and is certified under the International Convention for the Safety of Life at Sea or otherwise certified by the United States Coast Guard.

\* **Sec. 11. Severability.** It is the intention of the people of Alaska that any portion of this legislation that is declared unlawful shall be stricken in a manner that preserves the remaining portion of the remaining legislation to the maximum extent possible.

\* **Sec. 12. Effective Date.** This Act takes effect 90 days after enactment.

## STATEMENT IN SUPPORT

**The cruise lines should follow Alaska's taxation and pollution rules like everyone else.** This initiative protects our fisheries and helps pay for cruise ship impacts on Alaskan communities by establishing/requiring:

**1. \$50 passenger tax** – Alaskans pay tourism taxes when traveling Outside and independent tourists pay taxes on rental cars and lodging in Alaska. Cruise passengers willingly pay similar fees throughout the world. A typical cruise, including tickets, airfare, shopping, tours, gambling, and alcohol, costs over \$3000. A \$50 fee won't make people choose a cruise to New Jersey – therefore there will be no negative impact on Alaska's tourism economy. Federal law requires the funds be spent "servicing the industry," for example, maintaining ports and harbor infrastructure. This tax will help SUPPORT the Alaska tourism economy. Communities preferring their own tax program can opt out of the statewide program.

**2. Meet Alaska Water Quality Standards** – Alaskans need clean water and healthy fish. Cruise ships are the only major polluters not required to have a discharge permit and meet ALL Alaska water quality standards. Everyone else has a permit; no new permitting program is necessary. Nearly every major cruise line has felony convictions for dumping, tampering with pollution control equipment, or falsifying documents to the Coast Guard. This initiative places an independent marine engineer observer on every ship (paid through the passenger tax) to monitor discharges, inspect equipment, and verify logbook entries. The cruise lines have proven they cannot be trusted to help keep Alaska's waters clean and productive.

**3. End tax evasion** – All legal gambling operations in Alaska, except those on cruise ships, pay 1/3 of their profits to charity or in tax. Lucrative cruise line casino operations in Alaska pay nothing. Alaska corporations pay Corporate Income Tax. The cruise industry lobbied for and was granted a specialized income tax exemption for revenue from foreign registered ships. Under the initiative, the cruise lines will pay the same taxes that local businesses and U.S. registered vessels pay on their income and gambling profits.

**4. Support local businesses** – Since 1994, Alaska law has required oral and written disclosure to passengers by cruise lines when they receive commissions for promoting shore-based tours/businesses. Cruise line promotions are presented as "advice" when they are really "advertisements." This is unfair to local businesses that can't afford the steep, advertising commission. This initiative will require cruise lines to disclose the size of their commissions which will help local businesses compete for tourism dollars. No local businesses will have to report anything.

**The cruise lines are "selling" Alaska – while impacting our docks, roads, public facilities, wildlife, and the quality of our lives. This initiative will do nothing to turn visitors away; it will help keep our tourism industry sustainable while protecting the needs of all Alaskans. The Miami/Vancouver-based cruise lines make billions in profits by registering their ships in third world countries to avoid paying U.S. income taxes and wages. The cruise lines can easily afford to play by Alaska's rules like everyone else.**

**Please vote YES on Ballot Measure 2!**

## STATEMENT IN OPPOSITION

### **Vote “No” on Ballot Measure 2 It just doesn’t make sense!**

Dear fellow Alaskans,

Ballot Measure 2 is a direct attack on Alaska's economy. It will hurt our tourism industry -- a growing industry and the 4th largest employer of Alaskans. Additional taxes, lost jobs and more lawsuits in Alaska are not the answer. **Ballot Measure 2 deserves a “No” vote on August 22nd.**

The Alaska State Chamber of Commerce, Anchorage Chamber of Commerce, City of Fairbanks, Associated General Contractors of Alaska, Southeast Conference, Alaska Travel Industry Association, Resource Development Council, Juneau Chamber of Commerce, City of Skagway and the Ketchikan Chamber of Commerce and several hundred others all **oppose Ballot Measure 2 because it’s bad for Alaska.**

Measure 2 will:

**Mandate four additional new taxes including a state wide head tax of \$50 per person, \$100 per couple, and \$200 for an average family of four.** Rising oil prices are driving up the cost of living, which has reduced all travelers’ budgets. Imposing more taxes and fees on top of the other additional travel costs will keep tourists away and hurt our economy instead of helping it.

**Force the disclosure of confidential business information about Alaska’s local small businesses to competitors including those in the lower 48.** No other business in Alaska is required to disclose this type of information. Forced disclosure would reduce the pre-purchase of tours and excursions, hurting Alaska businesses.

**Raise costs and discourage tourism to Alaska.** Tourists already pay millions of dollars in taxes and fees on their plane tickets, hotels, restaurants, tours and shopping. Additionally, there are more than 26,000 local jobs provided by the tourism industry contributing tens of millions of dollars to our strong economy. Measure 2 would increase costs, discourage tourism and reduce spending at our local businesses.

**Open the door and create new motives for lawyers to file predatory lawsuits.** Lawyers will be allowed to file suit and collect up to 50% of any fines collected. Out-of-state attorneys will line up and flood Alaska’s court systems with frivolous lawsuits. The Measure would even allow individuals to sue the state of Alaska.

**Increase the amount of bureaucratic red tape, bureaucracy and size of state government in Alaska.** Measure 2 creates a new layer of state bureaucracy, red tape, paperwork and unnecessary government regulations that don’t provide any additional benefits to Alaskans or the environment. Increasing the number of state bureaucrats, cost of state government and the amount of red tape doesn’t solve anything.

Tourism is over a \$2 billion dollar industry in Alaska. Attacking the tourism industry through Measure 2 and attempting to pass more taxes, unnecessary and redundant government regulations, and tourism disincentives is the wrong move.

Threatening Alaska's economy, over 26,000 local jobs and thousands of small businesses across the state isn't the answer.

Also endorsing this letter: Mayor Bob Weinstein, City of Ketchikan; Chris Anderson, ORSO and Glacier BrewHouse - Anchorage

**Vote "No" on Ballot Measure 2.**

## Alaska's New Touch Screen Voting Units

With the passage of HAVA (Help America Vote Act) in 2002 and Alaska legislation, Alaska was required to purchase new accessible voting systems that allow voters with disabilities to cast their ballot privately and independently. HAVA also requires that States have an accessible voting unit available in every polling place.

The Division of Elections purchased Alaska's accessible voting system, the Diebold AccuVote DRE touch screen, using federal HAVA funds. The Diebold AccuVote DRE touch screen was chosen because it has been federally tested and certified, and is compatible with the Alaska's current election system. The touch screens are equipped with accessible features like audio ballots as well as large-print and high-contrast ballots. Additionally, the touch screens are adjustable to accommodate voters in wheelchairs, or who need to remain seated while voting. Each touch screen unit is equipped with a printer and produces a paper ballot so that voters can confirm the accuracy of the ballot.

The 2006 Primary Election will be the debut for Alaska's new touch screen voting machines. Touch screen voting will be available at every polling place and, although the machines are intended for use by visually impaired and disabled voters, any voter is free to use an unoccupied machine.

For more information on the new touch screen voting units, please see the list of Frequently Asked Questions or visit our website at:

[www.elections.state.ak.us](http://www.elections.state.ak.us)

## **Touch Screen Frequently Asked Questions**

### **General Questions**

*Q: How many touch screen machines were purchased?*

A: 505 touch screen machines were purchased, one for each of the State's 439 polling places, and spares for each of the State's four regions.

*Q: Do the machines offer languages besides English?*

A: The touch screen machines in Kodiak precincts will offer the ballot in Tagalog.

### **Visually Impaired and Disabled Voters**

*Q: How will visually impaired and disabled voters know the touch screen machines are available?*

A: Polling places will display posters indicating that the touch screen machines are available, and how they are used. The Division of Elections presented demonstrations for various visually impaired and disabled advocacy groups around the State.

*Q: How will visually impaired and disabled voters cast an independent ballot?*

A: The touch screen machines are able to be used in many different ways to accommodate different disabilities. Along with offering large print, high-contrast and audio-only ballots, the touch screen can also be used with "pointer sticks" by those with limited or no use of their hands or arms. The angle and height of the unit is adjustable to accommodate voters in a wheelchair, or who need to remain seated while voting.

*Q: Can any voter use the touch screen machines, or are they reserved for disabled voters?*

A: The touch screen machines will be available for any voter who wishes to vote on them. However, those with disabilities will have priority in using them.

### **The Voter Access Card**

*Q: What is stored on the voter access card?*

A: The voter access card holds ballot information that is read by the touch screen machine and presented to the voter. The voter access card holds only ballot information, not results, and is unusable after being used to vote until it is re-encoded by a poll worker. It does not hold information about the voter or how he or she voted.

*Q: How is the voter access card encoded?*

A: The voter access card is encoded by poll workers using an encoder that contains ballot information from the Division of Elections.

*Q: Can a voter access card be used to vote twice?*

A: No. Once a voter has finished voting, the voter access card must be re-encoded by a poll worker before being used again.

*Q: Does the voter access card hold information about the voter or how he or she voted?*

A: No. The voter access card holds only ballot information, not results, and is unusable after being used to vote until it is re-encoded by a poll worker.

## **The Memory Card**

*Q: What is stored on the memory card?*

A: The touch screen's memory card holds ballot information encoded by the Division of Elections. As votes are cast on the paper receipts, they are also recorded on the memory card.

## **Results**

*Q: How are votes sent to Election Central?*

A: As votes are cast, they are recorded on the touch screen. When the polls close, the information is transmitted to Election Headquarters via modem in optical scan precincts. In hand count precincts, results are called in to the local regional elections office.

## **Poll Worker Training**

*Q: Will poll workers receive special training on the touch screen machines?*

A: Yes. The Division will be tripling the time to train its poll workers to ensure that poll workers are familiar with the machines and how to assist voters on them.

*Q: How is a voter's privacy preserved with the touch screen machine if there are only a few voters using the machine in a precinct?*

A: Poll workers will be encouraged to cast their votes on the touch screen machines so that the sequence of voters is not obvious.

*Q: How will the paper ballots be transported after an election?*

A: As voters cast their ballots, the paper record is collected in a security canister inside the touch screen machine's printer module. Once voting ends, ballots will be secured and treated as other paper ballots are.

# Touch Screen Voting Instructions – Primary Election

## STEP 1: Insert the Voter Access Card into the Touch Screen Voting Unit

The card will click into place and will remain in the machine while you vote.

## STEP 2: Read Instructions Carefully

Touch the **LARGE TEXT** and/or **HIGH CONTRAST** buttons to enlarge or improve ballot readability.

Touch the **NEXT** button to begin voting or to advance to the next page.

Touch the **BACK** button to review previous page.

## STEP 3: Vote Your Choices

Touch the box next to your choice. An "X" will appear.

To change your choice, deselect by touching the box again and select your new choice.

## STEP 4: Review Your Ballot

At the Summary Page review your choices. Races left blank will be highlighted a different color.

To return and vote a race or to change your vote in a race, touch the race you would like to change or vote to return to page with the race.

## STEP 5: Print Ballot for Verification

To verify your choices and to cast your ballot, touch the **PRINT BALLOT** button.

A printed ballot of your choices will appear in the printer compartment. Review your ballot carefully.

## STEP 6: Cast Your Ballot

Touch **CAST BALLOT** when you are ready to record your vote.

Once your ballot has been cast, the printer will scroll your selections into the security canister inside the printer unit.

## STEP 7: How to Reject A Ballot

If you wish to reject your ballot and make changes, touch the **REJECT BALLOT** button. You are allowed to reject your ballot twice.

## STEP 8: Remove Card

Once you have completed the electronic touch screen voting process, remove your Voter Access Card and return it to an election worker.

## Alaska Statutes, Title 15, Article 2

### **ELECTION RECOUNTS**

The Division of Elections has included on this page and the following pages, sections in Title 15 that pertain to the election recount process.

#### **Sec. 15.20.430. Authorization of recount application.**

(a) A defeated candidate or 10 qualified voters who believe there has been a mistake made by an election official or by the counting board in counting the votes in an election, may file an application within five days after the completion of the state review to the director for a recount of the votes from any particular precinct or any house district and for any particular office, proposition, or question. However, the application may be filed only within three days after the completion of the state review after the general election for a recount of votes cast for the offices of governor and lieutenant governor. If there is a tie vote as provided in AS 15.15.460 , the director shall initiate the recount and give notice to the interested parties as provided in AS 15.20.470.

(b) The date on which the director receives an application rather than the date of mailing or transmission determines whether the application is filed within the time allowed under (a) of this section. If the actual physical delivery by telegram of a copy in substance of the statements made in the application for recount is received in the office of the director at or before 5:00 p.m. Alaska Standard time on the due date, the application will be accepted; providing the original signed application is postmarked at or before 5:00 p.m. Alaska Standard time of the same day.

#### **Sec. 15.20.440. Form of application.**

(a) The application shall state in substance the basis of the belief that a mistake has been made, the particular election precinct or election district for which the recount is to be held, the particular office, proposition, or question for which the recount is to be held, and that the person making the application is a candidate or that the 10 persons making the application are qualified voters. The candidate or persons making the application shall designate by full name and mailing address two persons who shall represent the applicant and be present and assist during the recount. Any person may be named representative, including the candidate or any person signing the application. Applications by 10 qualified voters shall also include the designation of one of the number as chair. The candidate or persons making the application shall sign the application and shall print or type their full name and mailing address.

(b) Candidates, political parties, or organized groups having a direct interest in a recount and who are seeking to protect their interests during a recount may provide, at their own expense, two or more observers to witness the recount.

#### **Sec. 15.20.450. Requirement of deposit.**

The application must include a deposit in cash, by certified check, or by bond with a surety approved by the director. The amount of the deposit is \$1,000 for each precinct, \$2,000 for each house district, and \$15,000 for the entire state. If the recount includes an office for which candidates received a tie vote, or the difference between the number of votes cast was 20 or less or was less than .5 percent of the total number of votes cast for the two candidates for the contested office, or a question or proposition for which there was a tie

vote on the issue, or the difference between the number of votes cast in favor of or opposed to the issue was 20 or less or was less than .5 percent of the total votes cast in favor of or opposed to the issue, the application need not include a deposit, and the state shall bear the cost of the recount. If, on the recount, a candidate other than the candidate who received the original election certificate is declared elected, or if the vote on recount is determined to be four percent or more in excess of the vote reported by the state review for the candidate applying for the recount or in favor of or opposed to the question or proposition as stated in the application, the entire deposit shall be refunded. If the entire deposit is not refunded, the director shall refund any money remaining after the cost of the recount has been paid from the deposit.

**Sec. 15.20.460. Determination of date of recount.**

If the director determines that the application is substantially in the required form, the director shall fix the date of the recount to be held within three days after the receipt of an application requesting a recount of the general election votes cast for the office of governor and lieutenant governor and within five days after the receipt of an application requesting a recount for any other office, question, or proposition.

**Sec. 15.20.470. Requirement of notice.**

The director shall give the candidate or designated chairperson signing the application, the two or more persons appointed to represent the applicant during the recount, and other directly interested parties, notice of the time and place of the recount by certified mail, telegraph, telephone, or facsimile.

**Sec. 15.20.480. Procedure for recount.**

In conducting the recount, the director shall review all ballots, whether the ballots were counted at the precinct or by computer or by the district absentee counting board or the questioned ballot counting board, to determine which ballots, or part of ballots, were properly marked and which ballots are to be counted in the recount, and shall check the accuracy of the original count, the precinct certificate, and the review. The director shall count absentee ballots received before the completion of the recount. For administrative purposes, the director may join and include two or more applications in a single review and count of votes. The rules in AS 15.15.360 governing the counting of ballots shall be followed in the recount when a ballot is challenged on the basis of a question regarding the voter's intent to vote for the candidate, proposition, or question. The ballots and other election material must remain in the custody of the director during the recount, and the highest degree of care shall be exercised to protect the ballots against alteration or mutilation. The recount shall be completed within 10 days. The director may employ additional personnel necessary to assist in the recount.

**Sec. 15.20.490. Certification of results.**

If it is determined by recount that the plurality of votes was cast for a candidate, the director shall issue a certificate of election or nomination to the elected or nominated candidate as determined by the recount. If it is determined by the recount that a proposition or question should be certified as having received the required vote, the director shall so certify except that the lieutenant governor shall so certify if the proposition or question involves an initiative, a referendum, or a constitutional amendment.

**Sec. 15.20.500. Authorization for expanding recount.**

[Repealed, Sec. 6 ch 26 SLA 1966].

**Sec. 15.20.510. Provision for appeal to courts.**

A candidate or any person who requested a recount who has reason to believe an error has been made in the recount (1) involving any question or proposition or the validity of any ballot may appeal to the superior court in accordance with applicable court rules governing appeals in civil matters, and (2) involving candidates for the legislature or Congress or the office of governor and lieutenant governor may appeal to the supreme court in accordance with rules as may be adopted by the court. Appeal shall be filed within five days of the completion of the recount. Upon order of the court, the director shall furnish the record of the recount taken, including all ballots, registers, and other election material and papers pertaining to the election contest. The appeal shall be heard by the court sitting without a jury. The inquiry in the appeal shall extend to the questions whether or not the director has properly determined what ballots, parts of ballots, or marks for candidates on ballots are valid, and to which candidate or division on the question or proposition the vote should be attributed. The court shall enter judgment either setting aside, modifying, or affirming the action of the director on recount.

**Sec. 15.20.520. Provision for appeal to legislature or Congress.**

A candidate or persons who requested a recount, who have reason to believe an error has been made in the recount involving a candidate for the general election for the state legislature or Congress, may appeal to the chamber in which the candidate seeks membership in accordance with applicable rules of the legislature or Congress. Upon request of the legislature or Congress, the director shall furnish the record of the recount taken including all ballots, registers, and other election material and papers pertaining to the election contest.

**Sec. 15.20.530. Determination of tie votes.**

If after a recount and appeal two or more candidates tie in having the highest number of votes for the same office, the director shall notify the candidates who are tied. The director shall notify the candidates of a reasonably suitable time and place to determine the successful candidate by lot. After the determination has been made by lot, the director shall so certify.

# Alaska's Primary Election History

## **1947      Blanket Primary enacted following a referendum.**

In 1947, Alaskans voted to enact a Blanket Primary. Blanket Primaries are elections where a voter may choose from among all candidates of all parties listed on the ballot.

## **1960      Single Ballot Open Primary enacted by First State Legislature replaced Blanket Primary.**

In the first session of the First State Legislature, the Blanket Primary was replaced with a Single Ballot Open Primary. Voters received one ballot listing candidates from both parties. Voters marked a box indicating they were voting Democrat or Republican. If they voted for candidates from more than one party, their ballots were invalidated.

## **1967      Blanket Primary restored during first session of Fifth State Legislature.**

In 1967, the Legislature restored the Blanket Primary at the request of Governor Walter J. Hickel.

## **1992      Party-Rule Ballot Primary held under court stipulation. (Zawacki v. State of Alaska)**

In 1992, the Republican Party of Alaska (RPA) challenged the State of Alaska in federal court on the constitutionality of the Blanket Primary system. An agreement between the State and the RPA called for a Party-Rule ballot that would contain the names of candidates who filed for the RPA nomination and would be available to Republican, nonpartisan and undeclared voters. A Statutory ballot would contain the names of candidates of all other political parties and would be available to all voters. A voter could vote only one ballot.

## **1993      Party-Rule Ballot Primary retained under court stipulation. (O'Callaghan v. State of Alaska)**

The 1992 agreement remained in place for the 1994 Primary Election under stipulations defined by O'Callaghan v. State of Alaska.

## **1996      Blanket Primary held constitutional under Alaska Supreme Court stipulation.**

In 1996, the State of Alaska defended the constitutionality of the Blanket Primary. The Alaska Supreme Court ruled that the Blanket Primary did not infringe on a party's right of free association. The U. S. Supreme Court chose not to review O'Callaghan.

## **Alaska's Primary Election History (continued)**

### **2000 U. S. Supreme Court rules California Blanket Primary unconstitutional.**

The U.S. Supreme Court ruled on June 26, 2000 that California's Blanket Primary violated the First Amendment right of freedom of association. The Court said political parties have the right to offer voting to self-identified members, and not to the general electorate.

In response to the ruling, the State of Alaska promulgated emergency regulations that allowed the 2000 Primary Election to be conducted as a Party-Rule Ballot Primary. The 2000 Primary Election was similar to those conducted in 1992 and 1994.

### **2001 Party-Rule Ballot Primary passed by the Legislature.**

Alaska's Twenty-Second Legislature passed House Bill 193 that specified a Primary Election ballot for each political party. On September 1 the year before the Primary was to be held, political parties were required to submit Department of Justice pre-cleared party bylaws specifying which voters could participate in the Primary Election for that party's candidates.

### **2002 Voters choose from six ballots in the Primary.**

In 2002, voters registered under the parties of Alaska Independence, Democratic, Green, Libertarian, Republican and Republican Moderate were allowed to vote their own party's ballot. Voters not affiliated with a recognized political party were able to choose from ONE of the six ballots.

### **2003 Superior Court allows parties to appear on a Combined Party ballot.**

The Alaska Superior Court, in Green Party et al. v. State Of Alaska et al., prevented the State from enforcing portions of election laws regarding the Primary Election in 2004. The ruling allowed parties to decide if they wanted to appear on a Combined Party ballot. Parties also specified which voters could have access to their ballots. Parties were given until June 1, 2004 to indicate to the State, through their bylaws, if they wanted to appear on a Combined Party ballot, and which voters would have access to their ballot.

### **2004 Voters choose from three ballots in the Primary.**

The Republican Party chose to have only Republican candidates on its Primary ballot, and ONLY those voters registered Republicans, nonpartisan and undeclared had access to the Republican ballot.

The Alaska Libertarian Party, the Alaskan Independence Party and the Green Party of Alaska agreed to be on a Combined Party ballot available to all registered voters.

On the third ballot, the Alaska Democratic Party appeared on a Combined Party ballot with the Alaska Libertarian Party, the Alaska Independence Party and the Green Party of Alaska. The Democratic Party specified this ballot to be accessible to all voters except Republicans.

## **Alaska's Primary Election History (continued)**

### **2006          Voters to choose from three ballots in the Primary**

Like the 2004 Primary, the Republican Party elects to have only Republican candidates appear on its ballot. Voters must be registered Republican, non-partisan or undeclared in order to select the Republican ballot.

The Combined ballot type is available for all voters, including Republicans. Alaska Democratic Party, Alaska Libertarian Party, Alaskan Independence Party and Green Party of Alaska candidates will all appear on the Combined ballot.

The third ballot type will be the Ballot Measures Only ballot. No candidates will appear on the Ballot Measures Only ballot; this selection is for those voters who only wish to vote on ballot measures that appear on the Primary Ballot.

## Reading the Election Results

---

The Statement of Votes Cast report will contain the individual district results for the 2006 Primary Election. The same report will be used to display the individual district results for the 2006 General Election. Here is a guide to help understand the individual district results in the Statement of Votes Cast:

### ***Column Headings***

Reg Voters = number of voters registered

Cards Cast = total number of ballots cast (whether counted or not)

% Turnout = number of voters who cast a ballot divided by number of voters registered, expressed as a percentage

Times Counted = number of ballots counted for each individual race

number of votes counted for each individual race

Total Votes = (if this number is lower than "times counted" it is because some voters chose not to vote in that race)
