**STATEMENT:**

**Thank you for allowing me to be your Representative.**  
The position of trust to which you've elected me is one I take very seriously. I work hard to make our community efforts succeed and I hope my accomplishments continue to pay off for you.

As I go door-to-door talking with my neighbors, I notice families are concerned about the current direction of our state. I've seen many friends and neighbors move because Alaska does not offer enough education or job opportunities.

My experience brings a unique perspective on fiscal responsibility. High oil revenues will not last. We need a long-term vision for the future of our resources, economy, and investments for the betterment of all Alaskans.

Alaska can be the place where ideas and innovations flourish, education is of the highest quality, the economy thrives, and jobs are rewarding.

To accomplish these goals, we need a higher education system that supports this vision and nurtures growth. Every high school graduate should be able to fulfill their dreams within Alaska.

Alaska is blessed with talented people and incredible natural resources. With your support, I will work hard to **develop Alaska for Alaskans**. Together, we can build a brighter future. My only special interest is you!

I want to continue working for **you** as your representative.

**Vote Chris Tuck for State House.**
