### STATEMENT:

#### ISSUES

- As a cab driver I have noticed the roads in East Anchorage like Baxter Road have not been taken care of as much as other parts of Anchorage.
- I believe that public safety should be very important that municipalities should get the funding for the police and fire protection they requested.
- We need to reduce the time for first responders in responding to an emergency. I believe that we should effective snow removal for major roads here in East Anchorage and sidewalks in **timely** manner.
- I **support DENALI KIDCARE** and **COASTAL MANAGEMENT PLAN, LOW GAS PRICES.**
- **AGAINST THE PEBBLE MINE, TAX CUTS FOR BIG OIL.**

I respect all military members for serving their country and will always listen to your concerns.
