**STATEMENT:**  
It has been an honor to represent Ketchikan, Saxman, Thorne Bay, Hollis, Coffman Cove and Meyers Chuck these past six years. I look forward to the challenges adding Wrangell, Naukati, Port Protection, Whale Pass, Edna Bay and Hyder will bring to the table.

I have worked tirelessly to complete the Swann-Tyee intertie, build the new South Tongass and City fire stations, enable shipyard expansion, construct the new library, support our commercial fishing industry, secure funding to build Marine Highway ships here, enable growth in our charter industry, finish the Saxman community center, rebuild most of South and North Tongass Highway, start the mariculture industry, reconstruct the local docks for us and the big docks for cruise ships and much, much more.

Active leadership on statewide issues like initiative reform, energy independence, stability in the Marine Highway, over-reaching Coastal Zone Management programs and petroleum tax reductions all point to a record of doing what is right for the State, its citizens and our long term future.

Finally, the most gratifying part of the job is quietly helping hundreds of people with day-to-day State, Federal and local challenges they face when dealing with any government.

My lifelong history in Ketchikan, my many years of experience and success in Juneau and my commitment to the bright future of District 33 make me the best candidate to successfully defend our positions in the State House now and into the future.

I ask for your support and your vote on November 6th.
