**Statement:**

National polls show that a majority of Americans are unhappy with the jobs the politicians are doing, both here in Alaska and across the U.S. As an Alaska Libertarian, I stand for individual rights, personal responsibility, and minimizing government. The two-party system has caused government to grow bigger and more intrusive every year. Since I am not a politician, and I belong to a third party, I will be able to follow my principles and veto expenses that do not benefit all Alaskans or that are not specifically guaranteed by our Alaska Constitution. I will be able to work with every legislator. We don't want to bring back the State Income Tax. It was Libertarian Dick Randolph who sponsored the repeal of the State Income Tax; Alaska needs a Libertarian governor to fight the overspending in Juneau and bring our budget back to sustainable levels. As Governor, I will use my line-item veto power to shrink the budget back down to 5.5 billion dollars; to prevent deficit spending; and to prevent reinstating the income tax. I will fight to eliminate rules and regulations that interfere with liberty.

I will also protect Alaskan freedom in these areas:

- Personal and medical privacy
- Private property
- Resource development
- Marriage, Family, and Religious Decisions
- Educational Freedom
- Business and Free Trade
- Victimless "crimes"
- Second amendment rights
- Constitutionally limited government
- Medical decisions

Vote for Lady Liberty!
