Statement:

It's been a privilege to serve Chugiak-Eagle River and JBERR as your representative. I'm seeking re-election so I can keep working on Alaska's toughest challenges.

As a lifelong Republican and conservative, I value limited government, strong national defense, individual liberty, and faith in God. As a 24-year Alaskan, I cherish our state and want to provide opportunity and prosperity for future generations.

My top legislative accomplishments include:

- Creating a veteran's designation on state driver's licenses
- Letting home-school and alternative school students play sports or participate in other interscholastic activities at their local public high school
- Securing funds for a new Chugiak Volunteer Fire and Rescue fire station, and for local roads, bridges and schools
- Helping authorize "military facilities zones" to make Alaska's bases more economic
- Ensuring health insurance covers services for autistic children
- Successfully lobbying the U.S. House and the National Conference of State Legislatures for bills and policies supporting oil development in ANWR

There's more to be done. If re-elected, I will keep working to:

- Reform oil taxes to keep Alaska competitive
- Create jobs and opportunity through responsible resource development
- Secure reliable, affordable energy for Alaskans
- Champion military personnel, veterans and their families
- Defend Alaska against federal overreach
- Support families with good schools, safe neighborhoods and decent roads

I pledge to work hard, listen carefully, and represent you with energy and integrity. I'd be honored to have your vote in the Republican Primary on Tuesday, August 19.
