**Statement:**

We need a hopeful vision for our future. Our culture needs to remember and defend the intrinsic value of human life. Alaska desperately needs courageous, principled and responsible leadership. Alaskans want leaders who will serve the best interests of the people. I will uphold all of our constitutional rights, including our Second Amendment rights.

We have been given empty promises coupled with reckless record breaking deficit spending by those who falsely claim to be fiscal conservatives. The current Governor and Legislature have spent 1/3 of our savings in just the last two years! If we don't get control of the situation now, we are facing more raids on the savings fund, implementation of statewide sales and income taxes and the erosion of the PFD.

I don't want any of that to happen, and I need your help to do something about it. This election is an opportunity for the People of Alaska to reclaim our government through the ballot box. If everyone who agrees with this message votes, we win!

As Governor, my budget target will be lean, mean and sustainable. I propose across the board spending cuts spread out over my first four years in office until we've achieved this goal. I will use the powerful Line Item Veto as required.

This campaign is about building a viable long-term future for Alaska upon a firm Constitutional footing. I need your prayers, support and votes to keep up the fight for the future of All Alaskans!
