Statement:

I'm a proud husband, father, grandfather, combat veteran, and Alaskan. I'm running for the U.S. Senate because I'm convinced the future of our great nation is in the balance. The Constitution is being systematically dismantled in favor of bigger government, which has become increasingly lawless, intrusive, and destructive to our nation's economy. Our system is broken. Both parties are responsible.

I want our children and grandchildren to grow up with the same hope that we once had. I want them to live in a country where life is respected, the law is honored, hard work is rewarded, and achievement is limited only by want of imagination or lack of industry. I want them to be free to speak their minds and worship God according to the dictates of their own consciences. In short, I want them to experience the "Shining City on a Hill" that our Founders envisioned.

I commit to work tirelessly to:

- Repeal/Defund ObamaCare
- Abolish the IRS/Reform the Tax Code
- Protect the Right to Life
- End the Surveillance State
- Fight Against Amnesty for Illegals
- Cut, Cap, and Balance the Budget
- Return Power to the States
- Defend the 2nd Amendment

The challenges ahead will require courage and perseverance. Because of my uncompromising commitment, I am the only candidate endorsed by Alaska Right to Life, Gun Owners of America, and National Association for Gun Rights.

If you want a true reformer – one who will take the fight to the Senate – I respectfully ask for your vote on Election Day.
