Statement:

I'm Lora Reinbold, and I'm running for re-election to represent Eagle River in the State House. I'm an Alaskan, born and raised, with an extensive business background, and a track record of hard work, collaboration, and results. I am the Right chose for Eagle River.

Fundamentally, I am a strong conservative with a deep belief in small government, individual rights, and a free market economy. Government, as much as possible, should be limited to the core functions of public safety, education and infrastructure. Individual rights must be preserved, and dependence on government should not be encouraged.

I take seriously my oath to uphold and defend the State Constitution, and will fight to protect our 2nd Amendment rights.

As your Representative in the 26th Legislative Session, I accomplished the goals I set out: 1) secure a stable, fair, and competitive tax policy to encourage business investment (SB 21), 2) education reform including freedom in educational choice (HB 278), 3) limit the growth and cost of State government, and 4) increase transparency and accountability through regulatory reform (HB 140).

Looking forward, fiscal responsibility and economic development are my top priorities. We must strive to expand our economy, promote resource development and control our spending. I look forward to working with other Legislators to create a fiscal plan that sets out our long range economic development plans and our spending priorities. A fiscal plan is a key element to a bright future for Alaska.

On November 4th, vote BOLD and re-elect Lora ReinBOLD!
