**Statement:**

You should vote for me to be your next Congressman to reverse the damage done by 30 years of the Bush-Reagan hard-core fascist criminal, secret police state, plutocracy. After 30 years of being tortured and terrorized as a political prisoner, I will work to overcome the rulings of the 5 fascist prostitute majority US Supreme Court, which have legalized the buying of elections by robber barons, plutocrats, oligarchs and fascist fat cats who loath legitimate democracy.

Corporations are NOT people, Money is NOT free speech and Fascists are NOT conservatives.

I will fight to return to the one person – one vote system, from the one dollar – one vote system we have had since 1980. I support voting rights, immigration reform, raising the minimum wage, education, women's rights and protecting the environment. I will support Medicare, Social Security and the Affordable Care Act from attacks by the fascists who voted for the Ryan budget, like Don Young.

I strongly support campaign finance reform and/or public financing of elections. Please see <http://sites.google.com/site/vondersaar> for additional details. Thank you in advance for your vote to reestablish legitimate democracy in Alaska and the US.
