

Ballot Measure No. 3: (07CASE)

Bill Providing For Public Funding In Campaigns

This bill creates a voluntary program of public funding for state election campaigns. To qualify, candidates must collect a certain number of signatures and \$5 campaign contributions from voters in the area in which the candidate is running for office. Qualified candidates that agree to limits for campaign fundraising and spending may receive campaign funding from the State of Alaska based on the office sought. A qualified candidate may receive state matching funds if the candidate is opposed by a candidate that does not take part in the program.

Should this initiative become law?
