VOTER REGISTRATION DEADLINE IS APPROACHING

Do you need to register to vote? Have you moved? If you answered yes, you have until Sunday, October 3, 2010 to register or update your existing voter registration for the November 2nd General Election.

Voters can register in person at any Division of Elections regional office, at municipal clerk's offices, at the Division of Motor Vehicles, village council offices and at many of the libraries. Voters may also register by mail or fax. Registration applications are available at www.elections.alaska.gov. Registration applications that are mailed must be postmarked on or before October 3rd. If submitting the application by fax, it must be received by October 3rd.

To ensure everybody has the opportunity to register in time for the election, the Division of Elections will be open the weekend of the registration deadline to assist voters. Division offices will be open on **Saturday, October 2nd from 10 a.m. to 4 p.m.** and on **Sunday, October 3rd from 12 p.m. to 4 p.m.**

If you need to register or make a change to your registration, don't wait. The Division of Elections encourages voters to register or update their voter registration as soon as possible so that it will be effective for the General Election. If a voter registers or updates his or her registration after the deadline, the voter will be required to vote a questioned ballot on Election Day.

Any voter who has questions about the registration process is encouraged to contact one of the Division of Elections offices.
