- (1) an absent uniformed services voter; or
- (2) voting by absentee ballot from outside the United States.

(b) In completing the federal write-in ballot, the voter may designate a candidate for each candidate race for a primary election by writing in the name of the office and candidate or, for the general or special election by writing in the name of the office and candidate or by writing in the office and the name of a political party. For ballot propositions or questions the voter may designate the voter's vote in writing the ballot proposition or question assigned number and writing "yes" to enact the proposition or question or "no" to not enact the proposition or question. (c) A federal write-in ballot of a voter will be reviewed in the manner prescribed by AS 15.20.203 for the district absentee ballot counting review, except that additional restrictions apply. The federal write-in ballot will not be reviewed or counted, and will remain sealed in the oath and affidavit envelope if

(2) the voter failed to apply for a by-mail or electronic transmission ballot as required by the deadline set out under AS 15.20.081;

(3) if the voter was sent a ballot by the division, the voter's official absentee ballot is received by the deadlines established in AS 15.20.081(e) and (h); or

(4) the voter submits a voted federal write-in absentee ballot more than 45 days prior to a statewide primary, general, or special election.

(d) A voter who is eligible to use the federal write-in ballot and who simultaneously applies for a ballot and votes using the federal write-in absentee ballot will not be sent the official ballot if the voted federal write-in ballot is received by the division 45 days or less before a statewide primary, general, or special election. If the voter simultaneously applies for a ballot and votes the federal write-in ballot 46 or more days prior to a statewide primary, general, or special election, the division will process the application for a ballot and send an official ballot to the voter.
