

For Immediate Release: October 9, 2006

General Election Media Conference

(Anchorage) - On Monday, October 16, 2006, the Division of Elections will discuss General Election arrangements for Election Central and election returns with the statewide press via teleconference. The media's private Internet results site will be announced. Division Director Whitney Brewster will make introductory remarks, and staff will be present to answer questions related to Election Central. Information about the posting time of unofficial election results will be announced at the meeting.

** To attend by teleconference, please call 1-800-315-6338 to participate. The access code is 4611#.
