## BALLOT MEASURE NO. 2

### Cruise Ship Taxation, Regulation and Disclosure 03CTAX

This initiative would impose a \$46 per person per voyage tax on large cruise ships to pay for vessel services. It would provide for the proceeds from the tax to be deposited in the state general fund and, subject to appropriation by the legislature, distributed to municipalities. It would levy a tax on cruise ship gambling activities in state waters. It would change the way cruise ship corporate income tax is calculated. It would require cruise ship operators to gather and report more information, and get a new type of permit for sewage, graywater or other wastewater before discharging in state marine waters. It would assess a \$4 per passenger berth fee and require large cruise ships to have state-employed marine engineers (Ocean Rangers) licensed by the Coast Guard to observe health, safety and wastewater treatment and discharge operations. It would authorize citizen lawsuits against an owner or operator of a large cruise ship, or against the Department of Environmental Conservation, for an alleged violation of any permit condition, provision of environmental statutes or performance of duties. It would also enable a person who provides information leading to enforcement of the law to receive 25 to 50 percent of fines imposed. It would impose additional requirements on disclosures about on-ship promotions of shore-side businesses.

Should this initiative become law?
