Statement:

As a Constitution Party member, I fervently pledge to protect all your liberties. I support the Declaration of Independence, U.S. Constitution, Bill of Rights and the Alaska Constitution as the founders intended them.

I am 100% Pro-Life, no exceptions. Every Life is precious and must be Constitutionally protected from conception to natural death.

I will follow the ISER/Goldsmith model to cut spending to sustainable levels with spending caps. This model has been presented to the Legislature and they continually ignore it. Clearly the GOP Senate Majority preferred taking 666 million from Alaskan families rather than from excessive state government spending.

I refuse to balance the budget on the back of Alaskan citizens including your children and grandchildren.

We need to CUT government down to the right size!

I will vote to restore and defend YOUR PFD!
No sales tax!
No income tax!

I will never vote to cede State sovereignty.

Federal government has no authority to mandate policies relating to state education, natural resources, transportation, private business, housing, health care, etc.

I need your vote and support to win this fight.

If you know people in following districts, encourage them to vote for our Sourdough Caucus:

HD-9 Pam Goode
HD-29 Barbara Andersen (write-in)
HD-30 J.R.Myers
HD-36 Ken Shaw

WE NEED NEW, HONEST LEADERSHIP!
