Statement:

I'm running because I want Alaska to have the best, strongest future possible.

Ever since I arrived in Alaska as an Army soldier in 1981, Alaska has been my home. I've raised my kids here, and now my grandkids are growing up here too. **My family – and yours – deserves a strong economy, the best education, and our wonderful Alaskan way of life.**

I'm running because Alaska needs common-sense leadership in our state government.

Right now, our state government is in crisis, and our legislature is locked in partisan gridlock. I offer a different way. I have a history of working across party lines to achieve common-sense, effective solutions to our most challenging problems. **With your support, I'll put those skills to work serving you in Juneau.**

I'm running because West Anchorage needs effective representation in Juneau.

In West Anchorage, we share a lot of common values – and I believe in those values. I believe in:

- a government that lives within its means,
- having safe neighborhoods,
- supporting our Alaskan businesses – large and small,
- responsibly developing our resources,
- honoring and supporting our veterans, and
- getting the best possible results for our education dollar.

Most of all, I believe in listening to my neighbors.

As your representative, these are the principles I stand for. I'd be honored to have your support.

I want to hear from you! You can reach me on my cell phone at 907-903-1846 or by email at friendsofmarilynstewart@gmail.com. **Thank you very much!**
