**Position Statement:**

Edna DeVries is standing up to carry the voice of her community to bring the changes needed to improve our safety, demand accountability, safeguard our resources and find more efficient ways to spend Alaska's money.

Edna is unapologetically Pro-Life, Pro-Gun, Pro-Family and Pro-PFD. She has the experience and knowledge to go before her community as the honest choice, the right choice as State House Representative for District 11.

Tired of seeing the devastation that has come out the past two sessions from bills such as SB91 that encourages crime, to the poor management of state funds that have left less in the pockets of all Alaskans and caused more economic hardship, she decided to answer the call for change and step up to make sure her neighbors have a voice in Juneau.

Voting for Edna is voting for action! She will work with you and for you and work to put an end to the business as usual politics and flippant abuse of power. It's time to build a better Alaska. Build a brighter future by putting a stop to spending and hold people and actions accountable.

Let's work together and take our fight to Juneau! Vote for Edna DeVries for State House District 11.
