Over the years while serving Alaskans in various capacities and in varying responsibilities on the state and federal level, I can assure Alaskans there is no other candidate for Lieutenant Governor of Alaska who can and will do a better job for you. I have impeccable integrity, and leadership skills. I can work with different groups bringing them together through common goals and compromise. Insight and ingenuity come natural to me. I have acted successfully on these qualities creating positive outcomes that serve the state and Alaskan residents while working for the National Write your Congressman, National Federation of Independent Business as well as a Constituent Liaison for Senator Dan Sullivan. As a true Alaskan Constitutionalist in both Federal and State affairs, I can manage the responsibilities of the Lieutenant Governor as well as to work with who is elected Governor. Do yourself a favor and vote Sharon Jackson! The opportunity to vote for such a tremendous candidate doesn't occur often.

It's time to take the "P" out Politics and put it back into the People of Alaska. It's time for less talk more action, Vote Sharon Jackson, Lieutenant Governor
