Position Statement:

I've had my own small business, worked for Veterans Affairs, Social Security Administration, and recently resigned from Department of Defense to run for the District 14 representative. I'm direct, and strong minded. I analysis and compare courses of action, then take decisive action in execution. I have a unique perspective on Alaska's issues. My experience with the US Defense Department, as a soldier and a civilian, as well as my experience with the US State Department provide the expertise to deal with local issues in a global economy. Eagle River has a large population of military families, retirees and veterans. My experience as an Army Veteran, military spouse, and Veterans Administration employee provides a unique perspective on what military families need. My community means a great deal to me.

I will continue to work with my fellow legislators to provide a safe and secure environment for Eagle River and its residents. I will not compromise my Republican core values, but will work with my fellow legislators to do right by the community of Eagle River and all Alaskans.

Together Let's Restore the Alaskan Dream by:

Rescuing the PFD
Repealing SB91
Revitalizing the Economy
Restructuring the budget
Reforming Education
