Position Statement:

Alaskans want government that works with our families and businesses to make sure Alaska is a great State to live, work, and raise a family. In my experience as State Representative, Acting Mayor, Assembly Member, community volunteer, husband, father, and son, I've learned that we're at our best working together for better government. We need to continue working together for a responsible action plan for Alaska and to improve public safety.

Visiting with friends and neighbors, going door to door, I hear again and again that Alaskans want an end to partisan politics and want their elected representatives to put Alaska first. The people of West Anchorage want a trustworthy representative who shares their values and listens to their concerns.

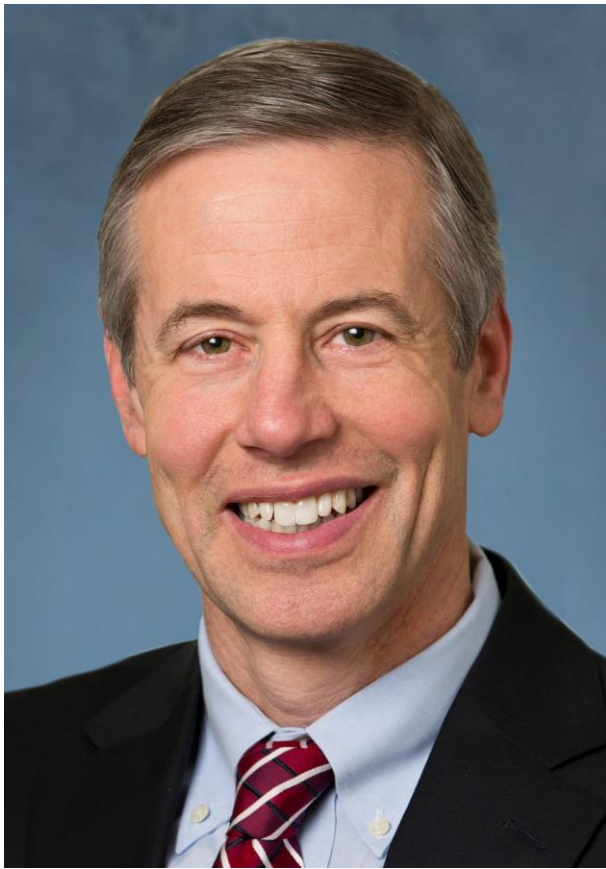

Thomas Jefferson said it best: "Government is best which governs least." As your elected representative, I look to the Alaska Constitution because it reflects the values we share: the right to equal opportunity, the right to privacy, the right to public education, the right to be treated fairly, the right to impartial courts, and the right to be secure in our homes and ourselves.

My priorities include:

- Public Safety: Government's First Priority
- Fiscal Responsibility: Living within Our Means
- Quality Education: Our Best Investment

As your legislator, remembering Abraham Lincoln, I pledge to make sure our government is "of the people, by the people, and for the people." Working together, Alaska's best days are ahead!

I would be honored to have your vote.
