**Position Statement:**

I'm Bekah Halat and I will represent YOU!

There isn't any other place I would rather live, raise a family and represent. I love Alaska and genuinely care about the well-being of our State.

Alaska has a ton of potential, but there are so many issues with the structure and organization of how our State's government is being run right now. Crime and unemployment rates are up and our education rating is one of the lowest in the Nation. As a mother, I worry about our city's safety and the future of what Alaska will become if we don't start making effective changes NOW!

I'M FIGHTING TO...

\*REPEAL SB-91

\*REDUCE the budget

\*PROTECT 100% of your PFD

\*PROTECT Alaska's Future for the next 50+ years

As your representative, I will bring a FRESH perspective to the table. I will work diligently to ensure that SB-91 is fully repealed and you get to keep ALL of your PFD.

Through my experience as an Alaskan business owner, consultant and trainer for other successful businesses, as well as the founder of local support groups and a non-profit, I HAVE EXPERIENCE in both the public and the private sector. I know how to make a business function and make it SUCCESSFUL. I want to reorganize this mess, so we can have a SAFER, SUSTAINABLE and more EFFICIENT future for Alaska!

I would humbly appreciate your vote and the opportunity to be YOUR VOICE in Juneau!
