Your community needs more people like you to work at the polls on Election Day. In fact, Alaska must recruit and train hundreds of poll workers in communities across the state every election year. But you can help.

Your local election officials can teach you everything you need to know to do the job. You just need to be a resident of Alaska who is also registered to vote in Alaska.

The job isn't complicated and those who have worked at the polls will tell you it's one of the most rewarding ways you can help your community.
