

BALLOT MEASURE NO. 1
Campaign Contribution Limits, Lobbying and
Disclosure
03DISC

This initiative would decrease the maximum amount an individual may give a candidate or group from \$1,000 to \$500, and decrease the amount an individual may give a political party for any purpose from \$10,000 to \$5,000. It would decrease the amount a group may give a candidate, or group, from \$2,000 to \$1,000. It would decrease the amount a group may give to a political party from \$4,000 to \$1,000. It would require groups to disclose the name, address, occupation, employer, date and amount given by each contributor for contributions more than \$100 during a calendar year. It would reduce from 40 to 10 the hours a person who is not a professional lobbyist could lobby in any 30-day period before having to register as a lobbyist. It would require legislators, public members of the select committee on legislative ethics, and legislative directors to disclose outside income sources greater than \$1,000.

Should this initiative become law?

- YES
- NO
