**Ballot Measure No. 1 - 05GAM2**

This initiative would create a seven-member gaming commission in the state Department of Revenue, and change gaming laws. The commission would employ a director, make contracts, adopt regulations, investigate and enforce gaming laws. The commission would have authority to allow games of chance, such as lotteries and casino games, in the future. It could join other states in multi-state gaming. The director would supervise gaming activities, and enforce charitable gaming laws. The initiative would make certain acts related to gaming a felony. Gaming allowed by the new law would be exempted from the criminal prohibition against gambling.
