\* **Section. 2.** AS 18.01. is amended by adding a new section to read:

**Section. 18.01.01. Natural Right to Life.** The State of Alaska shall protect the natural right to life and body of all mankind from the beginning of biological development. We the People affirm that the natural right to life and body of the unborn child supercedes the statutory right of the mother to consent to the injury or death of her unborn child. In life threatening situations the law of necessity shall dictate between the life of the mother and her child.
