

BALLOT MEASURE NO. 3

INITIATIVE NO. 95 HUNT

Bill Prohibiting Same Day Airborne Hunting

This bill would bar hunting wild wolf, wolverine, fox, or lynx the same day a person was airborne. However, the board of game could allow aerial wolf control if the Commissioner of Fish and Game declared a biological emergency, where wolves in a specific area were causing irreversible loss of a prey population. The Law wouldn't apply to people airborne the same day on regular, scheduled commercial flights. Breaking the law would be a misdemeanor. The penalty could be jail time up to one year, a fine up to \$5,000, and forfeiture of aircraft or gear used in the offense.

Should this initiative become law?
