BALLOT ACCESS FOR PRESIDENTIAL CANDIDATES

PRESIDENTIAL PRIMARY

The statutes of the State of Alaska do not provide for access to the Primary Election ballot for candidates for President and Vice President of the United States and Alaska does not conduct a presidential primary. Candidates for President and Vice President are only on Alaska's General Election ballot.

RECOGNIZED POLITICAL PARTIES

In order to have a candidate's name on the General Election ballot, the national committees of political parties which are *recognized political parties* in the State of Alaska (currently the Alaska Democratic Party, Alaskan Independence Party, the Alaska Libertarian Party and the Alaska Republican Party) select their presidential and vice-presidential candidates in a manner prescribed by their party bylaws. The *recognized political parties* are responsible for sending the Division of Elections their official certificate of nomination with the names of their respective candidates for Alaska's General Election ballot no later than the withdrawal deadline for the November General Election, which is the 64th day prior to the election.

LIMITED POLITICAL PARTIES

As an alternative, a group who has established status with the State of Alaska as a *limited political party* can also submit names for President and Vice President for the General Election ballot. A *limited political party* is organized specifically for the purpose of selecting candidates for electors of President and Vice President.

Limited political parties are governed by Alaska Statute 15.30.025, and a copy is enclosed for your review. To establish a *limited political party*, a petition must be submitted to the Division of Elections at least 90 days before a Presidential General Election. That date is August 16, 2028, for the 2028 General Election. It must be signed by qualified voters of the State of Alaska equal to at least one percent of the number of voters who cast ballots for President at the last Presidential Election. The number of ballots cast for President in the 2024 Presidential Election was 340,981. Therefore, the number of qualified signatures required on the petition must be at least 3,409.

Enclosed is an application to establish a *limited political party* in the State of Alaska, along with a sample signature page that can be copied and used to accumulate the appropriate number of signatures to establish the party. Each subscriber to the petition must provide their printed name, numerical identifier, signature, date of signature, and the address of each person signing the petition. The application, which includes the petition signatures, can be mailed to the Division of Elections Director's Office.

Additionally, at the time of submission a signed statement by the submitting candidate or party acknowledging the number of booklets or subscriber pages are included in the submission.

INDEPENDENT CANDIDATES

A person may also file as an independent candidate for President of the United States by filing a petition with the Director of Elections not earlier than January 1 of a presidential election year and not later than the 90th day before a Presidential General Election. That date is August 16, 2028, for the 2028 General Election. The petition must be signed by qualified voters of the state equal in number to at least one percent of the number of voters who cast ballots in an election under AS 15.30 for President of the United States at the last Presidential General Election. The number of ballots cast for President in the 2024 Presidential Election was 340,981. Therefore, the number of qualified signatures required on the petition must be at least 3,409. The petition must state that the signers desire the named candidate for President of the United States to appear on the ballot as an independent candidate for president at the next succeeding Presidential General Election.

In order to appear on the ballot, a candidate who has qualified for ballot status under AS 15.30.026(a) shall certify the following information to the Director of Elections on or before September 1 of the year of the Presidential General Election:

- (1) the names of the electors for the independent candidate for President of the United States, equal to the number of senators and representatives to which the state is entitled in Congress;
- (2) the name of a candidate for Vice President, selected by the independent candidate; and
- (3) the name, Alaska mailing address, and signature of the candidate's state campaign chair, who must be an Alaska resident.

[AS 15.30.026(b)]

Enclosed is an application to file as an Independent Candidate in the State of Alaska, along with a sample page that can be copied and used to accumulate the appropriate number of signatures to establish the party. Each subscriber to the petition must provide their printed name, numerical identifier, signature, date of signature, and the address of each person signing the petition. The application, which includes the petition signatures, can be mailed to the Division of Elections Director's Office.

Additionally, at the time of submission a signed statement by the submitting candidate or party acknowledging the number of booklets or subscriber pages are included in the submission.

50. Interpretation of votes cast for candidates for President and Vice President
60. Notification of electors

Sec. 15.30.010. Provision for selection of electors. Electors of President and Vice President of the United States are selected by election at the general election in presidential election years, in the manner and as determined by the ranked-choice method of tabulating votes described in AS 15.15.350-15.15.370. (§ 6.01 ch 83 SLA 1960; am § 10 ch 71 SLA 1972; am § 43 2020 Ballot Measure No. 2)

Effect of amendments. – The 2020 amendment, effective February 28, 2021 added “in the manner...” to the end of the sentence.

Sec. 15.30.020. Number and manner of selecting candidates. Each political party shall select a number of candidates for electors of President and Vice President of the United States equal to the number of senators and representatives to which the state is entitled in Congress. The candidates for electors shall be selected by the state party convention or in any other manner prescribed by the bylaws of the party. The chairman and secretary of the state convention or any other party official designated by the party bylaws shall certify a list of names of candidates for electors to the director on or before September 1 in presidential election years. (Sec 6.02 ch 83 SLA 1960; am sec.143 ch 100 SLA 1980)

Effect of amendments. – The 2000 amendment, effective July 1, 2000, made stylistic changes

Sec. 15.30.025. Qualifications for limited political parties.

(a) A limited political party may be organized for the purpose of selecting candidates for electors of President and Vice President of the United States by filing with the director at least 90 days before a presidential general election a petition signed by qualified voters of the state equaling in number at least one percent of the number of voters who cast ballots for President at the last presidential election. The petition shall state that the signers intend to organize a limited political party, that they intend to select candidates for electors of President and Vice President of the United States at the next succeeding presidential election, and the name of the limited political party.

(b) A limited political party organized under this section may not assume a name which is so similar to an existing political party as to confuse or mislead the voters at an election. If the director determines that the name of the limited political party set out in a petition is confusing or misleading, the director may refuse to accept the petition for filing.

(c) A limited political party organized under this section ceases to be a limited political party if its presidential candidate fails to receive at least three percent of the number of voters who cast ballots for the office of President at a presidential election (Sec. 1 ch 160 SLA 1970; am sec. 144 ch 100 SLA 1980; am secs. 28, 29 ch 85 SLA 1986)

Ballot access requirement. – The amendment of a similar ballot access requirement increasing minimum signatures required from 1000 to 3 percent of voters cast in last election was held violative of free speech and equal protection clauses of the Alaska Constitution by effectively eliminating a new political party's access to the ballot. *Vogler v. Miller*, 561 P.2d 1 (Alaska 1982).

Sec. 15.30.026. Qualifications for independent candidates for President of the United States; selection of candidate for Vice President; selection of electors.

(a) A person who desires to be an independent candidate for President of the United States must file with the director not earlier than January 1 of a presidential election year and not later than the 90th day before a presidential general election a petition signed by qualified voters of the state equal in number to at least one percent of the number of voters who cast ballots in an election under this chapter for President of the United States at the last presidential general election. The petition must state that the signers desire the named candidate for President of the United States to appear on the ballot as an independent candidate for president at the next succeeding presidential general election.

(b) In order to appear on the ballot, a candidate who has qualified for ballot status under (a) of this section shall certify the following information to the director on or before September 1 of the year of the presidential general election:

(3) the name, Alaska mailing address, and signature of the candidate's state campaign chair, who must be an Alaska resident. (Sec 28 ch 2 FSSLA 2005)

Effective dates. – Section 28, ch. 2, FSSLA 2005, which enacted this section, took effect on September 22, 2005.

Sec. 15.30.030. Qualification of electors. Any qualified voter except a United States senator or representative or person holding an office of trust or profit under the United States may be selected as a candidate for elector. (Sec. 6.03 ch 83 SLA 1960)

Sec. 15.30.040. Requirement of party pledge. The party shall require from each candidate for elector a pledge that as an elector the person will vote for the candidates nominated by the party of which the person is a candidate. (Sec. 6.04 ch 83 SLA 1960)

Sec. 15.30.050. Interpretation of votes cast for candidates for President and Vice President. In voting for presidential electors, a vote marked for the candidates for President and Vice President is considered and counted as a vote for the presidential electors of the party or for the presidential electors named under AS 15.30.026, as appropriate. (Sec 6.05 ch 83 SLA 1960; am sec. 29 ch 2 FSSLA 2005)
