Other (Biographical Information):
Traveled extensively throughout Alaska in my 25 year career, flying commercially
in Alaska. Flew numerous aircraft up to and over 100,000 lbs gross weight. I've
seen, spent time and experienced life in numerous villages, towns and cities
throughout Alaska. I'm now semi-retired but still working hard at my own
businesses, accomplishing what needs to be done efficiently. My wife of 37 years
and I have raised our children on the Kenai Peninsula and now enjoy being part of
the lives of our grandchildren, who live here as well. I'll strive to restore the
conservative lifestyle we had here on the peninsula, in Alaska and our country.

Position Statement

YOUR REAL CHOICE FOR A CONSERVATIVE VOICE

I STAND FOR:

- Alaskans-not special interest groups
- Following the law
- Smaller government
- Full PFD
- Legislative sessions on the road system-allowing more access to our representatives
- Paper ballots, same day hand counting, verifiable elections
- Judicial system we can trust
- Life-conception through natural death
- The 2nd Amendment
- Family
- Our Constitution
- God given rights

I STAND AGAINST:

- ALASKA LEGISLATORS WHO DO NOT FOLLOW EXISTING LAWS
- Runaway government spending
- Criminals rights exceeding those of law abiding citizens
- Using tax dollars against the will of taxpayers
- Increased taxes
- Legislative sessions only in Juneau
- Catering to special interest groups
- Judges legislating from the bench
- The BINDING CAUCUS

PLEASE pay attention to which candidates follow DOT laws (Alaska statutes AS19.25.075-150/17AAC 20.012) where signs are allowed to be placed. If a candidate cannot follow the law while campaigning, why would they follow the law once elected.

I will represent the people of Alaska. To turn our out-of-control government around:

1. Vote for the most conservative candidate in your district.
2. Promote that candidate to build a conservative majority in the legislature.
3. Get involved.
4. Pray for that candidate

We have numerous issues to overcome in this state, thanks to previous legislators not willing to follow existing laws. We can overcome these issues if we unite together and fight together. UNITED WE STAND. DIVIDED WE FALL. Only God unites! I'm willing to stand up and make a difference. Are you willing to stand with me?
