## Position Statement

My story is like so many Alaskans. I came up North at the age of 18 to find adventure and opportunity, and I never left. I built a career, raised a family, and entered public service to make a difference.

When I saw problems in our state, I refused to just sit back and complain, so I ran for state legislature. I kept my promises – voting to protect the permanent fund, not backing down to special interests, and never compromising my principles.

Throughout my career, I have been able to serve as the Chairman of the Joint Armed Services Committee, Co-Chairman of the Military and Veterans Committee, a Senior Advisor for Military Affairs, and as Commissioner of Corrections.

Now, I am honored to serve as the Lt. Governor for the State of Alaska where I work tirelessly with Governor Dunleavy to protect our state, unleash our energy, and unlock Alaska's potential.

But there is still so much work to be done. The federal government is trying to dictate to Alaskans how to live our lives. Again, I'm not sitting back. I'm stepping up to run for United States Congress. I'm a Republican, a principled conservative, and a public servant with a proven track record.

In Congress, I will defend our freedoms, support public safety, secure our border, and stop government overreach targeting Alaska. I am proud to be endorsed by President Donald Trump and Governor Mike Dunleavy. I'm ready to get to work.

North to the Future,  
Nancy Dahlstrom
