Position Statement

Hello,

My name is Darren Morgan Deacon

I am a lifelong Alaskan who grew up hunting , trapping , commercial and subsistence fishing, my family taught the traditional ways of living off the land. I, like you, am tired of all the nonsense going on in Juneau. So i made a choice, i decided to run for State house, not because i wanted to, but because i needed to! I see it as the only way to make a difference in getting things moving again. pushing for a traditional dividend, fighting for our hunting and fishing rights, and working together in getting this great state back on the right track. I'm fighting for the everyday Alaskan, because i am a everyday Alaskan! This is my position. . . to do whats right for all of us, for our Families, for our neighbors and friends, for our villages /communities, and for our state. remember you have the power to make this change, this August and November I proudly ask for your vote.

Thank you
