STATEMENT:

Vice President Harris is a fighter for the people. From her days as a prosecutor to her service as Vice President, she has defended the rights of everyday people by standing up to predators, scammers, and powerful interests. She has been fearless in taking on anyone who threatens the rights and freedoms of Americans.

As a prosecutor, she put murderers and abusers behind bars, standing up for women and children. As California Attorney General, she cracked down on transnational gangs trafficking drugs and guns across the border to make communities safer. She also took on the big banks that committed mortgage fraud, winning back billions in relief for homeowners. As a Senator and Vice President, she took on the big drug companies to cap the cost of insulin for seniors and led the fight for reproductive freedom. She has also advanced America's interests on the world stage, including by taking on Russian leader Vladimir Putin and standing with NATO.

As president, she would make strengthening the middle class a defining goal of her presidency. She will confront price gouging, work to lower costs, and expand opportunity so that every American has the chance to not just get by, but get ahead. And she will continue fighting to restore our freedoms, from reproductive rights to voting rights.
