OTHER:

I am a lifelong, third-generation Alaskan, community leader, education advocate, businessman, and proud husband and father. I grew up in our district, attended our local schools, worked for our community, and I understand the unique needs facing our district. Having served on the boards of the Abbott Loop Community Council and the Anchorage Chamber of Commerce, and as your representative, I have a proven track record of bringing people together to find real solutions. I will continue to put party politics aside and work together to ensure our community has good jobs, strong educational opportunities, and is a safe and healthy place to live, work, raise a family, and retire.

STATEMENT:

Now more than ever, Alaska needs leaders who will work together to get things done and improve the lives of Alaskans. As your representative, I'll continue to do just that and will always put our community's interests first. I support responsible and efficient government, but also believe that our budget should meet the needs of our community. That means good schools and universities, safe roads, effective public safety, and a strong economy. That's why, as your representative, I'll continue working to:

Pass a long-term fiscal plan - It's critical that we develop a long-term fiscal plan to stop the boom-and-bust cycle we know all too well in Alaska.

Invest in Alaska's people and economy - To build a strong economy and middle class, we must make smart investments in education, public safety, infrastructure, and our workforce.

Protect the Permanent Fund and dividend - I'll continue to fight off raids on the Permanent Fund so that Alaskans today and tomorrow can share in our state's wealth.

Serve with integrity - I remain committed to being your representative, listening to you, and doing what's right for our community, even when faced with political pressure.

I'm running for State House for the same reasons as when I ran two years ago, to listen to our community and make sure that Alaskans today and tomorrow have a bright future in our great state. I would be honored to have your vote - please reach out anytime at 907-240-8986 or come knock on my door.
