| United States President Vice President (vote for one) | Ballot Measure No. 1- 15PFVR An Act Allowing Qualified Individuals to Register to Vote When Applying for a Permanent Fund Dividend |
| <input type="radio"/> Castle, Darrell L. Bradley, Scott N. Alaska Constitution | <p style="text-align: center;">Ballot Measure No. 1</p> <p>This act would instruct the Division of Elections to register a qualified Alaskan to vote when applying for the permanent fund dividend (PFD). If a person registers to vote for the first time through a PFD application, the Division of Elections would compare the person's information to state records to ensure that the person is an eligible voter. The Division of Elections would let the citizen know if he or she has been added to the state registration list, or if the person's current voting address does not match the one provided on the PFD form. In that case, the person could change their voter registration address. The notice also would allow an applicant to request removal from the registration list. Thus, using the data from the PFD form, the Division of Elections would register a qualified Alaskan to vote unless he or she opts out. The notice would also allow a person to register with a political party. Voter information is already confidential under existing state law.</p> <p>Should this initiative become law?</p> <p style="text-align: center;"><input type="radio"/> YES <input type="radio"/> NO</p> |
