Cathy L. Tilton – House District 12 Representative – Republican Nominee

Other:
I am a lifelong Alaskan who grew up in Anchorage and have lived in the MatSu area for over 30 years.

While growing up in Anchorage, I spent many of my weekends and summers with my grandparents in Chugiak learning skills like hunting and fishing and the importance of hard work and commitment.

After graduating from Service High School, I earned a certificate in Accounting and Travel from Alaska Business College.

In 1980, I moved to Big Lake where I began working for a local law firm and started my family. Later, I went to work for the Mayor of Wasilla soon after the City had been designated a first-class city.

As a lifelong Alaskan and long-time Valley resident, I KNOW THE ISSUES. As an active member of our community and MatSu legislator, I UNDERSTAND THE ISSUES. As your state representative, I will CONTINUE TO LEAD ON THE ISSUES.

Position Statement:
I am the “Common-Sense Conservative” for House District 12. Listed below are highlights of my positions and legislative accomplishments:

- As the current representative for House District 12, I have continually fought to reduce state spending by offering dozens of specific spending reductions over the last six years.
- As your legislator I introduced legislation to allow school districts to manage their personnel costs and passed legislation that helps municipalities encourage new investment and economic development more carefully.
- As a concealed carry permit holder, I fully support existing Alaska gun ownership laws including the “Castle” and “Stand your ground” doctrines.
- I voted NO on SB 91 (the “omnibus” crime bill). Introduced the first amendment to
repeal it and proudly voted for the legislation to repeal and replace that failed experiment.

- I have voted against every effort to reduce the statutory dividend calculation and I support allowing Alaskans the right to vote on any change to the formula.
- I have sponsored a new constitutional spending limit that would prohibit ANY spending increases in deficit years and I co-sponsored legislation that would move the legislative session out of Juneau.
