Ballot Measure No. 1
23RCF2 - An Act Limiting Contributions to Campaigns

This act would change the amount of money that people and groups can give to state and local political campaigns. A court ruling in 2021 removed the limits on contributions by individuals. With this act, individuals could give $2,000 to candidates and $5,000 to political parties. Groups besides political parties could give $4,000 to candidates and $5,000 to other parties or groups. Individuals could also give $4,000 to joint campaigns for governor and lieutenant governor, and groups could give $8,000. These limits would increase with inflation every ten years beginning in 2031.

Should this initiative become law?
