

## THE PARENTAL INVOLVEMENT INITIATIVE

"An Act relating to parental involvement for a minor's abortion

BE IT ENACTED BY THE PEOPLE OF THE STATE OF ALASKA:

\* **Section 1.** AS 18.16.010(a) is amended to read:

(a) An abortion may not be performed in this state unless

(1) the abortion is performed by a physician licensed by the State Medical Board under AS 08.64.200;

(2) the abortion is performed in a hospital or other facility approved for the purpose by the Department of Health and Social Services or a hospital operated by the federal government or an agency of the federal government;

(3) before an abortion is knowingly performed or induced on a pregnant, [AN] unmarried, unemancipated woman under 18 years of age, notice or consent have [HAS] been given as required under AS 18.16.020 or a court has authorized the minor to proceed with the abortion without parental involvement under AS 18.16.030 and the minor consents; for purposes of enforcing this paragraph, there is a rebuttable presumption that a woman who is unmarried and under 18 years of age is unemancipated;

(4) the woman is domiciled or physically present in the state for 30 days before the abortion; and

(5) the applicable requirements of AS 18.16.060 have been satisfied.

\* **Sec. 2.** AS 18.16.010(g) is amended to read:

(g) It is a [AN AFFIRMATIVE] defense to a prosecution or claim for violation of (a)(3) of this section that, in the clinical judgment of the physician or surgeon, compliance with the requirements of (a)(3) of this section was not possible because, in the clinical judgment of the physician or surgeon, an immediate threat of serious risk to the life or physical health of the pregnant minor from the continuation of the pregnancy created a medical emergency necessitating the immediate performance or inducement of an abortion. In this subsection,

(1) "clinical judgment" means a physician's or surgeon's subjective professional medical judgment exercised in good faith;

(2) "defense" has the meaning given in AS 11.81.900(b);

(3) "medical emergency" means a condition that, on the basis of the physician's or surgeon's good faith clinical judgment, so complicates the medical condition of a pregnant minor that

(A) [(1)] an immediate abortion of the minor's pregnancy is necessary to avert the minor's death; or

(B) [(2)] a delay in providing an abortion will create serious risk of medical instability caused by a substantial and irreversible impairment of a major bodily function of the pregnant minor.

\* **Sec. 3.** AS 18.16.020 is repealed and reenacted to read:

**Sec. 18.16.020. Notice or consent required before minor's abortion.** (a) A person may not knowingly perform or induce an abortion upon a minor who is known to the person to be pregnant, unmarried, under [17] 18 years of age, and unemancipated unless, before the abortion, at least one of the following applies:

(1) (A) one of the minor's parents, the minor's legal guardian, or the

minor's custodian has been given notice of the planned abortion not less than 48 hours before the abortion is performed, or (B) the parent, legal guardian, or custodian has consented in writing to the performance or inducement of the abortion -- if a parent has consented to the abortion the 48 hour waiting period referenced in subsection (A) above does not apply;

(2) a court issues an order under AS 18.16.030 authorizing the minor to consent to the abortion without notice or consent of a parent, guardian, or custodian, and the minor consents to the abortion;

(3) a court, by its inaction under AS 18.16.030, constructively has authorized the minor to consent to the abortion without notice and consent of a parent, guardian, or custodian, and the minor consents to the abortion; or

(4) the minor is the victim of physical abuse, sexual abuse, or a pattern of emotional abuse committed by one or both of the minor's parents or by a legal guardian or custodian of the minor and the abuse is documented by a declaration of the abuse in a signed and notarized statement by

(A) the minor; and

(B) another person who has personal knowledge of the abuse

who is

(i) the sibling of the minor who is 21 years of age or older;

(ii) a law enforcement officer;

(iii) a representative of the department of Health and

Social Services who has investigated the abuse;

(iv) a grandparent of the minor; or

(v) a stepparent of the minor.

(b) In (a)(1) of this section, actual notice must be given or attempted to be given in person or by telephone by either the physician who has referred the minor for an abortion or by the physician who intends to perform the abortion. An individual designated by the physician may initiate the notification process, but the actual notice shall be given by the physician. The physician giving notice of the abortion must document the notice or attempted notice in the minor's medical record and take reasonable steps to verify that the person to whom the notice is provided is the parent, legal guardian, or custodian of the minor seeking an abortion. Reasonable steps to provide notice must include

(1) if in person, requiring the person to show government-issued identification along with additional documentation of the person's relationship to the minor; additional documentation may include the minor's birth certificate or a court order of adoption, guardianship, or custodianship;

(2) if by telephone, initiating the call, attempting to verify through a review of published telephone directories that the number to be dialed is that of the minor's parent, legal guardian, or custodian, and asking questions of the person to verify that the person's relationship to the minor is that of parent, legal guardian, or custodian; when notice is attempted by telephone but the physician or physician's designee is unsuccessful in reaching the parent, legal guardian, or custodian, the physician's designee shall continue to initiate the call, in not less than two-hour increments, for not less than five attempts, in a 24-hour period.

(c) If actual notice is attempted unsuccessfully after reasonable steps have been taken as described under (b) of this section, the referring physician or the physician intending to perform an abortion on a minor may provide constructive notice to the minor's parent, legal guardian, or custodian. Constructive notice is considered to have been given 48 hours after the certified notice is mailed. In this subsection, "constructive notice" means that notice of the abortion was provided in writing and mailed by certified mail, delivery restricted to addressee only, to the last known address of the parent, legal guardian, or custodian after taking reasonable steps to verify the mailing address.

(d) A physician who suspects or receives a report of abuse under this section shall report the abuse as provided under AS 47.17.020.

(e) A physician who is informed that the pregnancy of a minor resulted from criminal sexual assault of the minor must retain, and take reasonable steps to preserve, the products of conception and evidence following the abortion for use by law enforcement officials in prosecuting the crime.

\* Sec. 4. AS 18.16.030(a) is amended to read:

(a) A woman who is pregnant, unmarried, under 18 years of age, and unemancipated who wishes to have an abortion without **notice to or** the consent of a parent, guardian, or custodian may file a complaint in the superior court requesting the issuance of an order authorizing the minor to consent to the performance or inducement of an abortion without **notice to or** the consent of a parent, guardian, or custodian.

\* Sec. 5. AS 18.16.030(b) is amended to read:

(b) The complaint shall be made under oath and must include all of the following:

(1) a statement that the complainant is pregnant;

(2) a statement that the complainant is unmarried, under 18 years of age, and unemancipated;

(3) a statement that the complainant wishes to have an abortion without **notice to or** the consent of a parent, guardian, or custodian;

(4) an allegation of either or both of the following:

(A) that the complainant is sufficiently mature and well enough informed to decide intelligently whether to have an abortion without **notice to or** the consent of a parent, guardian, or custodian; or

(B) that one or both of the minor's parents or the minor's guardian or custodian was engaged in physical abuse, sexual abuse, or a pattern of emotional abuse against the minor, or that the consent of a parent, guardian, or custodian otherwise is not in the minor's best interest;

(5) a statement as to whether the complainant has retained an attorney and, if an attorney has been retained, the name, address, and telephone number of the attorney.

\* Sec. 6. AS 18.16.030(c) is amended to read:

(c) The court shall fix a time for a hearing on any complaint filed under (a) of this section and shall keep a record of all testimony and other oral proceedings in the action. The hearing shall be held at the earliest possible time, but not later than the fifth business day after the day that the complaint is filed. The court shall enter

judgment on the complaint immediately after the hearing is concluded. If the hearing required by this subsection is not held by the fifth business day after the complaint is filed, the failure to hold the hearing shall be considered to be a constructive order of the court authorizing the complainant to consent to the performance or inducement of an abortion without notice to or the consent of a parent, guardian, or custodian, and the complainant and any other person may rely on the constructive order to the same extent as if the court actually had issued an order under this section authorizing the complainant to consent to the performance or inducement of an abortion without such consent.

\* **Sec. 7.** AS 18.16.030(j) is amended to read:

(j) If the complainant files a notice of appeal authorized under this section, the superior court shall deliver a copy of the notice of appeal and the record on appeal to the supreme court within four days after the notice of appeal is filed. Upon receipt of the notice and record, the clerk of the supreme court shall place the appeal on the docket. The appellant shall file a brief within four days after the appeal is docketed. Unless the appellant waives the right to oral argument, the supreme court shall hear oral argument within five days after the appeal is docketed. The supreme court shall enter judgment in the appeal immediately after the oral argument or, if oral argument has been waived, within five days after the appeal is docketed. Upon motion of the appellant and for good cause shown, the supreme court may shorten or extend the maximum times set out in this subsection. However, in any case, if judgment is not entered within five days after the appeal is docketed, the failure to enter the judgment shall be considered to be a constructive order of the court authorizing the appellant to consent to the performance or inducement of an abortion without notice to or the consent of a parent, guardian, or custodian, and the appellant and any other person may rely on the constructive order to the same extent as if the court actually had entered a judgment under this subsection authorizing the appellant to consent to the performance or inducement of an abortion without notice to or the consent of another person. In the interest of justice, the supreme court, in an appeal under this subsection, shall liberally modify or dispense with the formal requirements that normally apply as to the contents and form of an appellant's brief.

\* **Sec. 8.** AS 18.16.030(n) is amended to read:

(n) Blank copies of the forms prescribed under (1) of this section and information on the proper procedures for filing a complaint or appeal shall be made available by the court system at the official location of each superior court, district court, and magistrate in the state. The information required under this subsection must also include notification to the minor that

- (1) there is no filing fee required for either form;
- (2) no court costs will be assessed against the minor for procedures under this section;
- (3) an attorney will be appointed to represent the minor if the minor does not retain an attorney;
- (4) the minor may request that the superior court with appropriate jurisdiction hold a telephonic hearing on the complaint so that the minor need not personally be present;

(5) the minor may request that the superior court with appropriate jurisdiction issue an order directing the minor's school to excuse the minor from school to attend court hearings held under this section and to have the abortion if one is authorized by the court and directing the school not to notify the minor's parent, legal guardian, or custodian that the minor is pregnant, seeking an abortion, or is absent for purposes of obtaining an abortion.

\* Sec. 9. AS 18.16 is amended by adding a new section to read:

**Sec. 18.16.040. Reports.** For each month in which an abortion is performed on a minor by a physician, the physician shall file a report with the Department of Health and Social Services indicating the number of abortions performed on a minor for that month, the age of each minor, the number of previous abortions performed on each minor, if any, and the number of pregnancies of each minor, if any, and the number of consents provided under each of the exceptions enumerated under AS 18.16.020(a)(1) - (4). A report filed under this section may not include identifying information of the minor other than the minor's age.
