

Legislative Affairs Agency Summary

This Act creates another method for a person to register to vote. A person could register using a permanent fund dividend (PFD) application. The person would have to attest that the information on the person's PFD form is true. Voter information on a PFD form would be provided to the Division of Elections. The division would check whether the person is eligible to vote. If the person is eligible, the person would be notified that the person will be registered to vote in this state. An out-of-state registration for the person would be canceled. The person has 30 days to respond to the notice and opt out. The Act provides that voter information on a PFD form would be as confidential as other voter information.
