Re: 22AKHE – Alaskans for Honest Elections

Dear Mr. Izon:

The Lt. Governor, with the assistance of the Attorney General, has updated the ballot title and summary for 22AKHE. In accordance with AS 15.45.180 and AS 15.45.190, and barring a contrary determination made by the Alaska Courts, the Lt. Governor has requested the Director of the Division of Elections to place the following ballot title and amended proposition language on the 2024 general election ballot.

**An Act Restoring Political Party Primaries
and Single-Choice General Elections**

This act would get rid of open primary elections and ranked-choice general elections. It would bring back political party primaries and single-choice general elections.

Elections will occur exactly as they did before a previous ballot measure changed the election laws in 2022. In the primary election, voters will choose a party's ballot. They will vote for one candidate and the winning candidate will be the party's nominee. In the general election, voters will select one candidate. The candidate with the most votes will win.

This act would also bring back party petitions, special runoff elections, and other processes in place before 2022. It would put all election laws, except campaign finance laws, back the way they were before 2022.

Should this initiative become law?

I have included a copy of Attorney General's letter for your review. If you have questions or concerns about this decision, please do not hesitate to reach out to the Lt. Governor's Office.

Kind Regards,
